### THE NEW LEADERSHIP OF THE REPUBLICAN PARTY.

The Oregonian regards the election of Governor Chamberlain to the United States senate as the final act in the overthrow and disintegration of the Republican party in this state. **IT GOES WITHOUT SAYING THAT THERE HAS BEEN BAD REPUBLICAN LEADERSHIP.**

The Oregonian charges that the two Republican factions in the present legislature would each prefer the election of a Democratic senator to the success of a Republican

senator supported by either faction **THIS IS UNFORTUNATELY TRUE, AS TO THE ATTITUDE OF THE OLD OREGON LEADERSHIP.**

But such leadership is not party leadership. It is party disruption. **IT IS NOT REPUBLICANISM.**

It has factionalism for personal ends; factionalism run mad.

It is lamentably true that this kind of rampant disruptive factionalism has been imposed on the people of Oregon **IN THE NAME OF REPUBLICANISM.**

The Oregonian says: "There is then no Republican party in Oregon **NOR IS THERE LIKELY TO BE FOR YEARS TO COME, IF EVER AGAIN."**

Not under the old leadership of rampant factionalism.

The Oregonian says in this same editorial on the election of Chamberlain:

**"THE PRESENT LEADERSHIP OF THE PARTY IS A BURLESQUE, AND A TRAVESTY, ETC."**

There has been a complete failure and downfall of the Oregon Republican leadership, according to the Oregonian.

But it blames the primary law, the late John H. Mitchell, **AND THE SUCCESSFUL SENATORS, BOURNE AND CHAMBERLAIN.**

It does not blame the leaders who have failed to manage the party affairs successfully.

**IT BLAMES HENEY AND STATEMENT NO. ONE.**

It is a notable fact that there is a new leadership showing up in this legislature.

Speaker McArthur and President Bowerman both voted for the regular Republican nominee for United

### States senator IN JUNE, AND IN THE LEGISLATURE.

At the head of either house these men did not play factional politics.

These two sterling young Republicans have not engaged in destructive mad-house bull-in-the-china-shop politics.

**THEY DID NOT PUNISH THE STATEMENT MEN INSIDE OF THE REPUBLICAN PARTY** but treated them just as well as they did the anti-Statement members.

These men are Republicans in important official positions, and they have not engaged **IN PLAYING IGNORANT FATUOUS FACTIONALISM.**

Make the distinction, please, Mr. Republican.

The old leaders deliberately last June voted to disrupt the party by defeating Cake the Republican nominee for senator, **BECAUSE FULTON WAS NOT MADE THE PARTY NOMINEE.**

They proposed deliberately to elect Mr. Fulton to the senate by soliciting men to violate their pledges and even persuaded some **TO PROTEST AT SUPPORTING THE REPUBLICAN VOTERS' CHOICE.**

The Oregonian has not a word to say in condemnation of the deliberate knifing of Cake.

Can the Republican party expect to prosper **UNDER SUCH ROTEN, UNPRINCIPLED LEADERSHIP?**

Will it not better prosper under the leaders of the new type, who propose to keep pledges once made without apology?

No Republican should apologize for supporting a regular Republican nominee **FOR UNITED STATES SENATOR BY THE DIRECT PRIMARY.**

The type of Republicans who are appearing and around whom the Republican party **WILL GROW STRONG AND HEALTHY AS A POLITICAL ORGANIZATION** are men like McArthur, Bowerman, Rusk, Sinnott, Eaton, McCue, Patton, Kay, Abbott Jones of Polk Hawley, the man from Clackamas, McKinney, Brooks, Abrahams and others, who say pledges are made to be kept **IN THE INTEREST OF THE PEOPLE AND PARTY,** not to be violated in the interest of factionalism and personal ambition.

It is in this new leadership that Republicans have hope.

The new leadership will not sneer at the Direct Primary law, which is rapidly being adopted by other states.

Under it the farmer, the laborer, the common citizen, who is not a professional politician, **HAS SOMETHING TO SAY.**

Will the masses of the people accept leadership that distrusts them, that places the lowest machine politician from the North End in Portland, or from the gambling halls of Astoria **ABOVE THE HONEST DECENT GRANGER?**

Yet that is what has been expected and because the farmer would not let go his power under the Direct Primary, he has been insulted by men who stole into positions, in violation of law, voted for the Democratic nominee for senator, **AND BET MONEY THAT CHAMBERLAIN WOULD BE ELECTED.**

Isn't it time for the new clean, decent young blood in the Republican party to assert itself and declare for Republican policies that have some respect for American citizenship?

### BILL TO HELP PROSTRATE ITALY

The bill to help prostrate Italy should be treated with great consideration.

No one who did not see San Francisco after the great earthquake **CAN FORM AN IDEA OF THE DESOLATION.**

The distress and the suffering and paralysis in Italy was tenfold greater, and among poorer people.

Out of the abundance of our wealth we ought to be able **TO SEND ITALY SOMETHING, AS A STATE.**

Private enterprise has helped, but the wealth and the property of the state could stand something.

Some legislator ought to have enough ingenuity to devise a bill at this session that would put ten dollars in the treasury **FOR EACH DOLLAR SENT TO ITALY.**

Ten thousand dollars would be a small sum. It could be saved on a few clerks and junkets cut off by Mr. Campbell.

### CREATE NESMITH COUNTY.

Two factions are struggling to create a new county in the Cottage Grove-Drain territory out of Lane and Douglas.

They should settle their differences

and make a fine new county out of **THAT BEAUTIFUL INTER-MOUNTAIN REGION.**

Climatically it is a paradise down there and the scenery and fruits and the people make it an ideal territory.

The character of Nesmith should be honored by having **A NEW COUNTY NAMED IN ITS HONOR.**

Creating new counties is always a stimulus to development, and produces new valuations.

A new city is built, a new group of men **ARE BROUGHT INTO PROMINENCE, AND PROGRESS RESULTS.**

In twenty years this newspaper has helped along every movement to create new counties.

### The Pure Food Law.

Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as not mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by Dr. Stone's drug store.
