BIG DOGS ATTACK BOY PLAYMATE
 [United Press Leased Wire.]
 Taft, Mont., Jan. 26.—As a result of being terribly wounded by two large dogs, Hudson Barringer, 8-year-old son of H. P. Barringer, a forest ranger, died late yesterday. The boy was attacked Saturday by two large animals, and before his parents could rescue him, he had been badly mangled. The dogs belonged to a neighbor and had often been the boy's playmates.

PIRATES ATTACK PEARL FISHERS
 [United Press Leased Wire.]
 Manila, Jan. 26.—Word has just been received here of an attack on the Pareng pearling fleet by pirates on January 20. Seven of the pearl fishers are reported to have been killed in the fight.
 Several patrol boats have been sent in pursuit of the pirates.

LET THE BABIES SLEEP ALL THEY WANT TO
 It is necessary for the health of the infant, as well as for the future child, that babies should be regular. It is generally considered that regular feeding hours are the prime essential, but it is no less important that the sleeping hours be just as regular. A new-born baby, if it is healthy and receiving the proper food, will sleep 10 hours out of the 24. In fact the infant sleeps most of the time except that required for feeding and other attentions that he needs. When he is two or three months of age he will stay awake a little longer, but until the child is six months old it will sleep from 16 to 18 hours out of the 24. The child will seldom be awake more than two hours at a time, and many children of this age tire after being awake for half an hour. If your baby is restless and fretful after being awake for half or three-quarters of an hour you may be sure that it is because he is tired, and not because he is naturally cross. Most infants a year old sleep about 14 or 15 hours out of the day, sleeping from 11 to 12 hours at night, and taking the rest in two naps, one in the morning and one in the afternoon. Even at the age of four years a child requires 12 hours' sleep daily.

Sheriff Charles Collier, of Grant county, and Ed. Rand, of Baker county, are giving a touch of Eastern Oregon color to the state house lobby. They have no axes to grind, or business before the legislature, but are here in a purely ornamental capacity. And an Eastern Oregon delegation always does add to the beauty of the scenery.

If father has a favorite child, the mother and other children sometimes use the pet as a means to work him.

Kennedy's Laxative Cough Syrup tastes nearly as good as maple sugar. It cures the cold by gently moving the bowels, and at the same time it is soothing for throat irritation, thereby stopping the cough. Sold by all druggists.

Crater Lake
 Plucky Editor George Putnam, who has fought the newspaper battles to make Medford a live town, is in the city in the interest of the Crater Lake automobile road. Jackson and Klamath counties have put up \$50,000 each. Pinchot and Garfield have pledged the co-operation of the forest reserve machinery, and the state is to be asked to give \$100,000, and it would be one of the best investments that Oregon could make to advertise this commonwealth as a progressive community.

There is no case on record of a cough, cold or la grippe developing into pneumonia after Foley's Honey and Tar has been taken, as it cures the most obstinate deep seated coughs and colds. Why take anything else? J. C. Perry.

It takes a level headed girl to be conceited and vain at the same time.

Ely's Cream Balm has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine closet among the reliable household remedies where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or snuffing. It gives immediate relief and a day or two treatment will put a stop to a cold which might, if not checked, become chronic and run into a bad case of catarrh.

What Ails You?
 Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?
 If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, and speedily Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.
 The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.
 The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. H. Basillone, M. D., of Jackson Hill, College, N. H.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. F. W. M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. Jno. M. Sewall, M. D., Author of Specific Medicines; Prof. Lawrence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Lindswood, M. D., Author of Materia Medica and Prof. J. Bennett, Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.
 Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

Sees Mother Grow Young.
 "It would be hard to overstate the wonderful change in my mother since she began to use Electric Bitters," writes Mrs. W. L. Gilpatrick of Danforth, Me. "Although past 70 she seems really to be growing young again. She suffered untold misery from dyspepsia for 20 years. At last she could neither eat, drink nor sleep. Doctors gave her up and all remedies failed till Electric Bitters worked such wonders for her health." They invigorate all vital organs, cure Liver and Kidney troubles, induce sleep, impart strength and appetite. Only 50c at J. C. Perry's drug store.
 A girl has no excuse for being coquetted if she has a brother or two running loose around the house.
A Cure for Misery.
 "I have found a cure for the misery malaria poison produces," says R. M. James, of Louellen, S. C. "It's called Electric Bitters, and comes in 50 cent bottles. It breaks up a case of chills or a bilious attack in almost no time; and it puts yellow jaundice clean out of commission." This great tonic medicine and blood purifier gives quick relief in all stomach, liver and kidney complaints and the misery of lame back. Sold under guarantee at J. C. Perry's drug store.
 Knowledge and timber should not be much used until they are seasoned.—O. W. Holmes.
A Religious Author's Statement.
 For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. J. C. Perry.
