**California**

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

**SOUTHERN PACIFIC CO.**  
 Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.  
 The rate from Salem to Los Angeles and return is \$55. Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

**The Farmer's Wife**

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is bad it makes but all which is put into it? The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath emitted by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and scrubbing do for the churn—absolutely removes every tainting or corrupting element. In this way it cures biliousness, indigestion, eruptions, scrofulous swellings, ulcers, or even eating ulcers and tumors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headache, dizzy attacks, gnawing or distressing stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or depression and their attendant derangements.

The best remedy known in medical science for the cure of the above troubles is Dr. J. C. Perry's Orino Laxative. It is the only medicine that will cure all the above troubles and biliousness, indigestion, or any other ailment. It is a purely vegetable preparation and is absolutely safe. It will be readily given to your satisfaction. If you will but send a postal card to Dr. J. C. Perry, 107 N. 3rd St., N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the inventors who enter into his world-famed medicines and showing what the most eminent medical men of the new era say of them.

If you will take Foley's Orino Laxative until the bowels become regular you will not have to take purgatives constantly, as Foley's Orino Laxative positively cures chronic constipation and sluggish liver. Pleasant to take. J. C. Perry.

The average man takes a lot of credit for doing his duty when compelled to.

**A Religious Author's Statement.**  
 For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. J. C. Perry.
