THE BULL GAVE CROWD THEIR MONEY'S WORTH

[United Press Leased Wire.]

Lisbon, Portugal, Jan. 27.—Twenty persons were injured today, 12 of them seriously, by a bull which escaped from the ring at a bull fight at Marco de Canavezes. After the infuriated animal had gored or trampled a score of spectators, he was shot by an attendant.

Life 100,000 Years Ago.

Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown of Alexander, Me., is large from deadly disease. "If it had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough.' To cure Sore Lungs, Colds, obstinate Coughs, and prevent Pneumonia, its the best medicine on earth. 50c and $1.00. Guaranteed by J. C. Perry. Trial bottle free.

It takes a level headed girl to be conceited and vain at the same time.

Fever Sores.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by Dr. Stone's drug store.

Sometimes a woman has the cheek to discard paint and powder.

Unless It's a Good Store It Will Not Pay to Advertise It!

UNLESS you know a person—unless that person comes into your life in some way—you are not greatly concerned about whether he is good or bad, desirable or objectionable.

It's so with a store. The people who never visit it care nothing about it one way or the other. It doesn't exist—for them. But—when they are persuaded to patronize it—when they come to turn the spot-light of their attention on it—when it comes to have a part in their lives, as some stores must have in all lives—then it's different; then it DOES matter whether it strives to win confidence; it does matter whether or not its price concessions are genuine, dependable.

If it meets all tests that a good store must stand when it is advertised—when it thus invites the critical attention of people—then advertising 'makes" the store. If it fails in most of the vital things—if it proves, under the light of publicity, not to be much of a store, THEN ADVERTISING WILL NOT PAY—for it will emphasize shortcomings as well as merits.

For these same reasons it is generally assumed that the store which does not advertise is seeking to avoid close inspection and comparison, and that the store which does is courting them.

Ring out the false, ring in the true."

Why Do The People Use Over 5,000,000 Bottles Annually?

Here is One of the Many Reasons Given by One of the Many.

WORDS OF PRAISE.

After the experience of a severe cold which came near developing into Pneumonia I have been cured with one 25 cent bottle of your Dr. Bell's Pine-Tar-Honey. The first teaspoonful stopped my cough. To say it is a wonderful remedy is putting it very lightly; I can never say enough in praise of your wonderful medicine, and consider your little booklet that was thrown to my door a friend in need. You may use this letter if you like, for it will always be a pleasure to recommend your Dr. Bell's Pine-Tar-Honey.

Sincerely,
MRS. L. O. LOZIER.
