**STRAUS CLAIMS JAPS ARE LEAVING AMERICA**

[United Press Leased Wire.] Washington, Jan. 29.—Denials of recent representations that the tide of Japanese immigration is increasing, instead of diminishing, are contained in a letter on its way today to Senator Frank P. Flint, of California, from Secretary Straus, of commerce and labor.

Secretary Straus said in part: "You will observe that the number of Japanese admitted was 12,413 for the calendar year 1907, while the entire number admitted was but 4477 for the calendar year 1908. You will also bear in mind that the executive order of the President was issued on March 14, 1907, but it took a considerable time to prepare regulations provided for in that order, and put the regulations into effect, and for the department of state, both here and through our ambassador to Japan, to arrive at a definite understanding with the Japanese government. I desire furthermore to direct your attention to the fact that the entire immigration for the year beginning with November 1, 1907, and ending with October 3, 1908, was 6017, while the departures for the same period was 5832, leaving an increase for immigration of Japanese for that year of 185.

"It is further to be observed that, beginning with the month of June, 1908, to October, 1908, the emigration of Japanese from the United States exceeded the immigration to the United States by 1542, showing distinctly that the trend of the emigration of Japanese is from the United States. It is further shown by the marked decrease of immigration during the months referred to of 1908, as compared with the same months of 1907.

"The press reports which I have seen contain statements made by some of your people in California that these figures are inexact. I desire emphatically to state that they are absolutely correct, and the proof thereof, which is on file in the department, clearly demonstrates the accuracy of the figures.

"It has further been intimated, as I see from reports, that there is a large surreptitious influx of Japanese over the Mexican and Canadian borders. I am justified in saying that is not true, for obvious reasons. That there are some few scattering surreptitious entries is quite probable, but the sum is so small that it cannot be consequential.

"Finally, I wish to call your attention to the fact which the statements above referred to indicate, that the arrangements which have been called 'The Gentleman's agreement' we have with Japan, in my judgment, is working more effectively than would result from any other restriction law, because of the effective embargo Japan has placed upon the departure of her subjects from Japan."

**A Woman's Back**

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary spots or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cure. It is the most potent purifying, tonic and strengthening medicine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful habit-forming drugs. Its ingredients are all printed on the bottle wrapper and are tested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or know your constitution, even though the dealer may make a little more profit thereby. Your interest in retaining health is paramount to any selfish interest of his and it is a insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago. They are much imitated but never equaled. They sugar-coated granules easy to take and sandy.
