

**New Livers exchanged for Old Ones**

Sounds funny doesn't it—but it's true. You can get a brand new liver—just as active and healthy as a liver can be—by the simple process of taking an occasional NR tablet according to directions. And when you have the new liver it means that all the ailments that came from the old one—such as constipation, biliousness, sick headache, indigestion, dyspepsia, stomach trouble, rheumatism, malaria, chills and fever, pimples and bad complexion will disappear.

Take an NR tablet to-night and you'll feel better in the morning.

Suing the newspapers for libel over the Panama canal articles, is like clipping a pig for wool. "Shear" nonsense.

Roosevelt says Judge Ballinger, of Washington, is to be Secretary of the Interior in Taft's cabinet. This is probably authentic, but certainly not in good taste.

**The Secret of a Beautiful Face**

lies in keeping the skin protected as well as cleaned. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the line-less softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.
