SAN DIEGO WOMAN SHOOTS BROTHER-IN-LAW

[United Press Leased Wire.]

San Diego, Cal., Jan. 30.—Declaring that she will talk when the proper time comes, but that she has absolutely nothing to say now, Effie Dugen is in jail here today, charged with shooting and killing her brother-in-law, Bruce Shefer, during a quarrel over an estate last night.

Shefer was shot twice after he had been in angry conversation with Mrs. Dugen for some time. He was killed with his own revolver, and, although the woman absolutely declines to deny or affirm the theory, the police believe she wrested the weapon from her brother-in-law while he was attempting to shoot her.

Shefer, whose dead wife was Mrs. Dugen's sister, had been living at the Dugen house and was Dugen's partner in the plastering contracting business. He formerly lived in Ceder Rapids, Iowa, and has done work in San Francisco, Los Angeles and most of the important cities on the Pacific coast.

Nothing could be learned of the exact nature of the quarrel between Shefer and Mrs. Dugen. That it was over an estate said to amount to $10,000, is known, but further than that the interested parties will say nothing.

Dugen and his two sisters-in-law, Misses Eva and Essie James, were in adjoining rooms when Shefer and Mrs. Dugen quarreled.

Suddenly they heard two shots, and the woman appeared with a revolver in her hand. She said Shefer was dead, and then walked down the stairs to the street and handed the gun to an officer who had been attracted to the scene by the shots.

ROBBED THE BANK AND GOT AWAY

[United Press Leased Wire.]

El Paso, Texas, Jan. 30.—Posses working in different directions are today on the trail of the safe blowers, who have so far made godo their escape with the $10,000 they are reported to have stolen from the Curlton State bank, at Curlton, Texas.

The robbers blew open the vault of the bank Thursday night, and the big safe inside was then shattered by dynamite. They worked so quietly that the money was not missed until the clerks returned to work yesterday morning. The alarm was at once given and posses organized. The bandits gained a good lead on the pursuers, but hope of capturing them has no tbeen abandoned.

FIFTEEN-YEAR-OLD BOY LOST IN MOUNTAINS

(United Press Leased Wire.)

Ukiah, Cal., Jan. 30.—Some where out in the waste of deep snow that surrounds his home, seven miles west of Ukiah in the wild mountain country of Mendocino county, Theodore Lauhle, 15 years old, is lost. He took his dog and gun and went hunting ten days ago, and his parents have not heard from him since. They fear that a storm overtook him in the wilderness and that he perished from the cold.

Not until four days after the lad disappeared did his parents give the alarm. In the meanwhile snow had fallen heavily and it was impossible to find a trace of the lost boy.

When the lad was a little child, he was given a drug to quiet him. This affected his brain, and in recent years he has shown a tendency to be irrational at times.

MAN FROM RIDDLES SHOOTS AT PREACHER

Oakland, Cal., Jan. 30.—Exasperated by the fact that an intinerant preacher kept him awake with sermons and hallelulias, G. H. Burton, who says he is from Riddles, Douglas county, Oregon, fired a shot from his revolver at the disturber of his dreams last night, and is under arrest today. Instead of hitting the human target the bullet splintered a heavy window opposite the Crellin hotel where Burton was staying.

Burton declared that he fired only to scare the preacher and with no intention of hitting him. He succeeded in hisefforts, for the preacher disappeared when the shot rang out and the police are seeking him to get him to swear to a complaint against Burton, who is being held in custody.

"JACK, THE SLASHER," FINALLY CAPTURED

[United Press Leased Wire.]

San Francisco, Jan. 30.—In the arrest today of Joseph Ammann, a clerk employed in Levinson & Company's printing house, the police believe that they have captured "Jack, the slasher," who has been responsible for the destruction of valuable gowns belonging to women of this city and Oakland. Patrolmen Hoedger and Walsh heard a woman's scream early today, and, running to the spot, found Ammann standing with an open knife in his hand confronting Miss Ida Dooux. She was uninjured but her silk dress was slashed in many places.

The officers said that Ammann fought desperately to escape, and after he was handcuffed, they declare that he admitted that he was the slasher.

Ammann is beng detained by the police until his record can be investigated.

JOHNSON DID NOT ATTACK GUARDS

The story to the effect that Johnson, the man condemned to be hanged at the penitentiary shortly, made an attack upon his guard with a poker is without any foundation whatever, according to Warden Curtis' statements of the facts today. The guard, in explaining to some of the prison employes the condition in which Johnson was at the present time, told of how he (Johnson) had at one time picked up a poker from the stove and acted treateningly with it, but as to his actual wielding of the weapon on the person of the guard it is an absolute mistake. The warden regretted very much that a rumor should be circulated of this character, as it is a discerdit to the doomed man which he does not deserve.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

The Pure Food Law.

Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by Dr. Stone's drug store.
