SMILES.
Munkers is the born fighter of the House.
Hughes makes hay and throws no bricks.
Eaton's sweet winning ways dispel many a storm in the House.
Like his Table Rock Mineral water—"It's alive,"—that's Brady.
Pat McArthur votes with that other Irishman, Brandon, about half the time.
Muncy has Bonebrake skinned when it comes to praying for the House.
Ike Bingham continues to be the combined lion and bull dog of the Senate.

There were lots of goods things at the booster banquet, besides the eatables.

Now let us have the House opened with prayer by Mahone. Or has he fallen from Grace?

If a hatpin can only be ten inches long, what should be the legal length of a hairpin?

Pat McArthur makes a fine presiding officer, notwithstanding the fact that he has to stand pat.

Bowerman holds silken reins with velvet gloves on the Senate. He is a splendid friend of Marion county.

McCue has made the record speech of the session. It had but one weak point—he wanted the House to be reasonable.

Beach and Bailey sit so close together that their voices sometimes mingle in almost indistinguishable cadences on the roll call.

Smith of Umatilla is doing splendid work for his own county and if he wants to come to Salem to live he can be a Senator from Marion.

A wise Irishman once said, "If you don't get what you like; like what you get." This applies equally to matrimony, business and pleasure.

Dispatch yesterday says: "Bland Ballard, a wealthy retired business man, whose wife is considered one of the most beautiful women in Chicago, committed suicide today by shooting himself through the head. Her beauty may not have been fatal, but her habits, evidently were."

Taking a Mean Advantage.

Once a thrifty Scotch physician was called to a case where a woman had dislocated her jaw. He very soon put her right. The woman asked how much was to pay. The doctor named his fee. The patient thought it too much. He, however, would not take less, and as the woman refused to give him the fee he began to yawn. Yawning, as every one knows, is infectious. The young woman in turn yawned. Her jaw again went out of joint, and the doctor triumphantly said, "Now, until you hand me over my fee your jaw can remain where it is." Needless to say, the money was promptly paid.

Pneumonia Follows La Grippe.
Pneumonia often follows la grippe but never follows the use of Foley's Honey and Tar, for la grippe coughs and deep seated colds. Refuse any but the genuine in the yellow packages. J. C. Perry.

Two hundred years ago, only a duke could wear points to his shoes exceeding ten inches. Just think of our slowness, 200 years for our legislation to get from a man's shoes to a woman hatpin.

A Suggestion on Eczema.

It is suggested that eczema sufferers ask the Capital Drug Co. of this city what reports it is getting from the patients who have used the oil of wintergreen liquid compound, D. D. Preparation.

Cook Bay is on the map and it will soon be also on the railroad map.

Hexamethylenetetramine.

The above is the name of a German chemical, which is one of the most valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical textbooks and authorities as a uric acid solvent and anti-septic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady J. C. Perry.

That our American forests abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers. Even the untutored Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until to-day we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce believes that our American forests abound in most valuable medicinal roots for the cure of most obstinate and fatal diseases, if we would properly investigate them; and in proof of this conviction, he points with pride to the almost marvelous cures effected by his *Pierce's Medical Discovery*, which has been known itself to be the most efficacious stomach, liver, intestinal, heart, lung and regulator, and blood cleanser known to medical science. Dyspepsia, or indigestion, torpid liver, functional and even vascular and other affections of the heart, yield to its curative action. The reason why it cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. R. V. Pierce, of Buffalo, N. Y., to all sending request for the same.

Not less marvelous, in the unparalleled cures it is constantly making of woman's many peculiar affections, weaknesses and distressing derangements, is Dr. Pierce's *Favorite Prescription*, as is amply attested by thousands of unimpeachable testimonials contributed by grateful patients who have been cured of irregularities, prolapsus, and other displacements caused by weakness, ulceration of uterus and kindred affections, after many other advertised medicines and physicians had failed.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native medicinal roots. The processes employed in their manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming ingredients. Each of their ingredients is printed on each bottle-wrapper.

HEED THE WARNING.

Many Salem People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine full of "brick dust" sediment and painful in passing. Slight kidney trouble cause a dull pain in the small of the back, backache, dizzy spells, tired, languid feelings and frequently rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys, and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

Salem people recommend Doan's Kidney Pills.

Mrs. Mary Bumgardner, 424 Water street, Salem, Ore., says: "I have found Doan's Kidney Pills to be a remedy of great merit, and I am pleased to endorse them so that other sufferers from kidney complaint may know how to get relief. I procured Doan's Kidney Pills at Dr. Stone's drug store, and several members of our family used them with the most satisfactory results. I took Doan's Kidney Pills myself for a tired, aching back and a dragging down feeling, caused by disordered kidneys. The aching and soreness was removed, the kidneys were made normal, and my health became better in every way."

Remember the name—Doan's—and take no other.

Kodol for Dyspepsia and Indigestion does the ordinary work of the stomach, so that by taking a little Kodol every now and then you cannot possibly have indigestion or any form of stomach trouble. Sold by all druggists.

Household Remedies.

which have stood the test of time deserve a place in the medicine chest of every family. Mothers are today administering to their children the remedies their grandmothers used.

For 30 years, Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been curing the women of this country from the worst form of female ills, and merit alone could have stood such a test of time and won such an enviable record.

The Crime of Idleness.

Idleness means trouble for anyone. It is the same with a lazy liver. It causes constipation, headache, jaundice, sallow complexion, pimples and blotches, loss of appetite, nausea, but Dr. King's New Life Pills soon banish liver troubles and build up your health. 25c at J. C. Perry's.

Now is the Time to visit
California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. The rate from Salem to Los Angeles and return is \$55. Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.
