

KING OF THROAT AND LUNG REM- EDIES

DR. KING'S NEW DISCOVERY FOR COUGHS AND COLDS CURES ALL THROAT AND LUNG DISEASES

SAVED HER SON'S LIFE

My son Rex was taken down a year ago with lung trouble. We doctored some months without improvement. Then I began giving Dr. King's New Discovery, and I soon noticed a change for the better. I kept this treatment up for a few weeks and now my son is perfectly well and works every day.

Floors and Walls

Are with you and around you every day in the year and exert a far greater influence in life than is usually attributed to them.

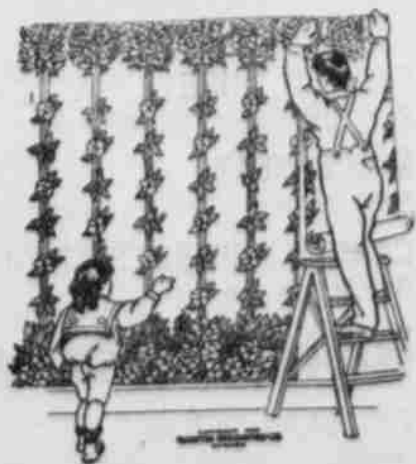

One of the leading features of our business is making floors and walls attractive and pleasing.

One of the most successful floor coverings is linoleum, the gain in the use of which during the past decade is perhaps greater than that of any other fabric used for similar purposes. We are showing very complete lines both in printed and inlaid.

There are carpets which have a fixed value and never disappoint their owners and there are carpets that have nothing to recommend them but their little price. Carpets are not different from other woven fabrics, some are good and others anything else but good. We are exclusive agents for the entire line of Park Mills and no one familiar with them will question their excellence and superiority.

The use of Wall Papers is almost universal from hut to mansion. Our showing for less than 25c per bolt is stronger than ever and includes patterns suitable for any room.

The permanent colored papers are meeting with great favor.
