

CITY NEWS

Elected Officers—

At a meeting in the Salem Board of Trade rooms Saturday, the Marion County Horticultural Society elected the following officers for the ensuing year: President, J. C. Kurtz; first vice-president, John Pemberton; second vice-president, Enos Presnal; secretary and treasurer, E. C. Armstrong.

Want It a Legal Holiday—

The Woman's Relief Corps held a meeting Saturday afternoon, and a resolution was passed to request the governor to proclaim a legal holiday on February 12 in honor of the 100th anniversary of Abraham Lincoln's birth. The members of the legislature will be invited to attend the exercises to be held in the G. A. R. hall Friday afternoon.

Sent to Asylum—

William McIntyre has been committed to the insane asylum, the cause being due to excessive drinking. McIntyre was arrested and found guilty of stealing an overcoat from the senate chamber last Thursday. He is 43 years of age, and has been a resident of Oregon for about seven years.

Spanish War Veterans—

An organization of Spanish War Veterans was perfected temporarily Saturday evening at a meeting held in the armory, and Charles McKinley and Arthur Girod were elected president and secretary. Next Saturday evening another meeting will be held to complete the organization.

More Basketball—

The Willamette University basketball team was beaten by a small margin Saturday night by the McMinnville team. The game was one round of excitement from start to finish and at the end of the first half McMinnville was 23 and Willamette 20. The final outcome of the contest was still 23 to 20.

Wandered Far and Long—

Robert Garrish, who was committed to the asylum from Yamhill county several months ago, and who escaped from the institution last November, was brought back to the asylum Saturday from Roseburg, having been caught near that city in a half-starved and ragged condition. The poor fellow could not be traced at the time of his escape, and it is probable that he has wandered many hundreds of miles in all kinds of inclement weather. He is 40 years of age.

Two Alcohol Lamps—

Two hoboies were found lying in the alley behind the Salem brewery Saturday morning drinking something, which later proved to be alcohol. They were in a very serious condition when taken to jail from the strong drink and lying in the water and mud so long.

A Generous Stork—

The stork delivered in fine condition a 12-pound baby at the family home in Portland of Mr. and Mrs. W. H. Chatten Sunday morning, February 7, 1900. The grandfather, Hon. George Collins, of this city, was so delighted that when he told the reporter the news he added on several occasions and forgot to tell whether it

was a boy or a girl. Salem friends will join in congratulations and good wishes.

School Board Meeting—

The school board will hold a special meeting tonight, and the new fire protection system will probably receive some consideration. Several other important matters will be discussed during the meeting.

Falls City Beats Salem—

The Auditorium roller rink basketball team made a trip to Falls City Friday, and received another trouncing at the hands of the men from the lumber city. The Salem team was hopelessly beaten from the start, and at the end of the first half the score stood 23 to 4 in favor of Falls City. This is the second time the Falls City lads have defeated Salem, which will probably be the last, as the local boys are intending to make some material changes in their lineup. Had Salem been a few pounds heavier, the Falls City bunch would not have had such a plum, but owing to their men being of light weight the men from up the river were too much for them.

A Suggestion on Eczema.

It is suggested that eczema sufferers ask the Capital Drug Co. of this city what reports it is getting from patients who have used the oil of wintergreen liquid compound, D. D. Preparation.

The hot air of the landlord is a poor substitute for that of the furnace man.

Many sufferers from nasal catarrh say they get splendid results by using an atomizer. For their benefit we prepare Ely's Liquid Cream Balm. Except that it is liquid it is in all respects like the healing, helpful, pain-allaying Cream Balm that the public has been familiar with for years. No cocaine nor other dangerous drugs in it. The soothing spray is a remedy that relieves at once. All druggists, 75c. Including spraying tube, or mailed by Ely Bros., 56 Warren street, New York.

HAY FEVER

ONE WEAK SPOT.

Most Salem People Have a Weak Part and Too Often Its the Back.

Everyone has a weak spot. To often its a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night.

Tells you the kidneys need help—For backache is really kidney-ache.

A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys.

Cure backache and urinary ills. Salem people recommend the remedy.

E. E. Gilliam, proprietor livery and feed stable, 332 Water street, Salem, Oregon, says: "Years of almost constant driving and a fall I had several years ago affected my kidneys, and I suffered from backache and lameness, so badly at times that I could hardly straighten. Sharp pains caught me when I arose after sitting, and none of the remedies I tried did me any good. A short time ago I was induced to get Doan's Kidney Pills at Dr. Stone's drug store, and I soon obtained great relief. I know of neighbors who have taken Doan's Kidney Pills, and they all speak of them as the best medicine they have ever used."

For sale by all dealers. Price 50 cents. Foster-Millburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Crime of Idleness.

Idleness means trouble for anyone. It is the same with a lazy liver. It causes constipation, headache, jaundice, sallow complexion, pimples and blotches, loss of appetite, nausea, but Dr. King's New Life Pills soon banish liver troubles and build up your health. 25c at J. C. Perry's.

Floors and Walls

Are with you and around you every day in the year and exert a far greater influence in life than is usually attributed to them.

One of the leading features of our business is making floors and walls attractive and pleasing.

One of the most successful floor coverings is linoleum, the gain in the use of which during the past decade is perhaps greater than that of any other fabric used for similar purposes. We are showing very complete lines both in printed and inlaid.

There are carpets which have a fixed value and never disappoint their owners and there are carpets that have nothing to recommend them but their little price. Carpets are not different from other woven fabrics, some are good and others anything else but good. We are exclusive agents for the entire line of Park Mills and no one familiar with them will question their excellence and superiority.

The use of Wall Papers is almost universal from hut to mansion. Our showing for less than 25c per bolt is stronger than ever and includes patterns suitable for any room.

The permanent colored papers are meeting with great favor.
