UNSELFISHNESS VERSUS SELFISHNESS.

When Representatives Jones and Hawley stood up and refused to accept the One State Normal School which the Ways and Means committee handed them with twice the appropriation they were asking for they were doing the **MOST UNSELFISH ACT RECORDED IN THE HISTORY OF THE STATE.**

They were asking an appropriation of \$57,000 for the Monmouth Normal, but here came a bill from the Ways and Means committee offering them twice as much.

They both stood up and asked to have the bill referred back with instructions to bring in a bill **FOR THE SUPPORT OF THE THREE NORMAL SCHOOLS.**

What Salem politician or Portland politician would have refused such a chance to hog such a thing, at the expense of two other cities?

But Jones and Hawley said they would not take a gift that meant the **ABOLITION OF TWO OTHER SCHOOLS FOR THEIR BENEFIT.**

A few politicians have decided that Oregon shall have only one Normal School.

How they love the educational needs of Eastern Oregon and Southern and Western Oregon!

PORTLAND NEWSPAPERS HAVE HAD ONE CONTINUAL HOWL ABOUT THE APPROPRIATIONS BY THIS LEGISLATURE.

The Saturday evening and Sunday Portland papers gave the game away.

The whole howl is now made to abolish the three Normal Schools and have **ONE GREAT CENTRAL BEAUTIFUL INSTITUTION.**

The Portland Journal prints the following with approbation:

"SMITH OF MARION ALSO HAS A BILL IN THE SENATE CALLING FOR THE ABOLITION OF ALL THE NORMAL SCHOOLS IN THE STATE AND THE CREATION OF ONE CENTRAL SCHOOL AT PORTLAND."

There used to be an old game for the children—"Pussy Wants a Corner."

The modern game of politics may well be called "the Game of What Do You Want?"

When Portland wanted the Lewis and Clark Fair they acted awfully nice and sang low and sweet.

It was, gentlemen of the cow counties, **WHAT DO YOU WANT? IT'S YOURS.**

She bled and cooed like a sucking dove, **NOTHING WAS A GRAFT IN THOSE DAYS.**

Everything was for the honor and glory of Oregon.

The State University got what it wanted, **EVERYBODY GOT WHAT THEY WANTED.**

Other grafts got in and took half a million more on top of the Lewis and Clark Fair.

Has the state suffered? **NO! EVERY ACRE OF LAND HAS ADVANCED \$5 TO \$25.**

When Portland wants a port commission her representatives **COO AND PURR AND ARCH THEIR BACKS AND SWELL UP THEIR TAILS LIKE ANY GOOD PUSSY COAXING FOR A WARM CORNER.**

When they've got what they want, it's a back seat for the cow counties, "we must protect the taxpayer."

The Normal Schools are attended by the sons and daughters of the poorer people.

WE HAVE PROVIDED A STATE UNIVERSITY FOR THE SONS AND DAUGHTERS OF THE RICH.

We have magnificent dormitories with steam heat, water closets and baths for the students at the Agricultural College.

But a dormitory with a tin baht-tub in it, where a poor would-be school-ma'am can take a bath once a week **IS AN OUTRAGE ON THE TAXPAYER.**

The cry of the Portland papers for one great central state normal school is entirely unselfish.

Oh, isn't it a beautiful parade of consistency to howl reform at the expense of the Normal schools **WHEN YOUR OWN BIG GRAFTS ARE ALL IN OUT OF THE WET!**

IS THE OREGON SENATE OWNED BY THE CORPORATIONS

Having killed all the labor bills, and nearly every measure so far that the corporations donot want, the above is a fair question.

The McArthur amendment to the Constitution and the Citizens' commission to fight for state-aided railroads **ARE TO BE KILLED IN THE SENATE.**

Upon the empty promise made in the Oregonian this morning that Harriman will build lines through Central Oregon, the campaign for the development of the state is to stop.

WILL THE PEOPLE OF OREGON BE FURTHER DECEIVED BY SUCH METHODS?

Will the Senate throttle the effort of the people to get the big stick in their own hands?

The indications are that the people will resent such **CHEAP TRUCKLING TO CORPORATE POWER.**

The McArthur bills are backed by the biggest and best men in Oregon, and the Senate should respect their efforts and willingness to buckle on the armor **AND GO TO WORK ON RIGHT LINES.**

The vote on those bills, or neglect to pass them will brand the Oregon Senate with an iron mark that will not rub out.

MONEY

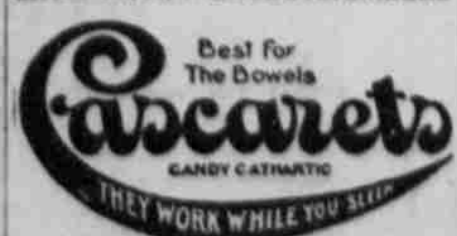

Is either idle or industrious. Idle money is carried in the pocket-book or is kept about the house. Not only does it not earn anything but it is soon gone. Industrious money is that which is earning a fair return. It adds to itself constantly. A savings account is a good example, and yet the whole deposit is available when wanted.
