

ANOTHER LARGE SHIPMENT OF GO-CARTS JUST ARRIVED

Our entire front windows are filled with new beautiful Go-Carts of all designs. We are now showing over 200 Go-Carts in our window—the most complete line ever shown in the city. This year we wish to break all previous records. Two years ago we sold 287 Go-Carts, last year sold 393, and this year we wish to double the amount. In order to do this we are offering the best Go-Carts made by the best factories in the country, and we sell them at the very lowest possible price. It will pay you to look them over and judge for yourself. We will also have a splendid line of high-grade furniture of all descriptions to select from. We will always be glad to show you our line, and at all times convince you that we sell at the lowest possible price.
