

### SPEND YOUR HOLIDAY VACATION AT PASO ROBLES

If complete rest and most perfect conditions imaginable for nature cure are what you need, spend your holidays at Paso Robles Hot Springs, California. A week or two, and even a few days there will accomplish more in the way of restored energy than a much longer period and more expensive treatment elsewhere, because good old Mother Nature is nurse and physician.

Paso Robles is taking the same rank in America and enjoying the same fame for wonderful cures that Karlsbad and Baden Baden do in Europe. The hotel is a marvel of comfort and luxury, and the bath house built by the city, free to all, is said to be one of the best in the world. It is a stubborn ailment and a hopeless condition of physical breakdown that the mineral waters and hot mud baths of Paso Robles will not heal in a short time.

Call on agent at Salem for descriptive booklets on Paso Robles, and he will also tell you all about rates.

One could hardly tell whether that youth who had to pay \$4.89 for kissing a girl got a bargain until one saw the girl.

### CAUGHT BURGLARS IN MIDST OF STUNT

[United Press Leased Wire.]

Portland, Or., Feb. 23.—Two men giving the names of Sullivan and Russell are today guests of Jaller Hunter, of the county jail, because they were caught red-handed late last night in the act of trying to rob the safe in McCredie's billiard hall.

Several minutes before operations were to start McCredie was mysteriously notified that safe robbers would make an attempt to enter his place of business. The news was quickly broken to city detectives. One concealed himself inside and a couple more hid outside. Sullivan gained entrance to the place all right, but after working the combination of the strong box for ten minutes he failed to open the safe. Then Detective Hellyer stepped up to him. At the same time Russell was nabbed while he was on the lookout.

### E. R. WOODWARD FIRES BULLET INTO HEAD

[United Press Leased Wire.]

Portland, Or., Feb. 23.—Faint hope for the ultimate recovery of E. R. Woodward, superintendent of the Multnomah Amateur Athletic Club, who yesterday fired a bullet into his head, is held today by the attending physicians.

Why the man should seek to take

his life is still a mystery to his friends, but still it is the second attempt he has made within three weeks. After eating lunch with his wife in their apartments, Woodward remained at home yesterday afternoon, while she went shopping. When she returned a couple of hours later she found her husband lying on the bathroom floor, breathing heavily. Woodward has been superintendent of the athletic club for three years. Before coming to Portland he lived in San Francisco. There he married Miss Foster, a daughter of Captain Foster, of Oakland.

### MINISTER SAYS CANNOT AFFORD TO PREACH

Chicago, Feb. 23.—After deciding that he could not maintain his family in the style that a Methodist minister should, the Rev. Ferdinand S. Rockwell today is a prosperous automobile agent. Rockwell was pastor of the Sheridan Park Methodist church before he gave up the ministry for the automobile business.

"I leave the ministry for money. I cannot afford to preach the gospel," declared Rockwell.

"I have the New England management of a company. Preaching the gospel does not pay. If I were a wealthy man I would stay in the ministry. I am poor and have to make money. I am now making \$2,500 a year. I cannot live well and keep my family as I should, and maintain the style that I feel a minister's family should maintain."

"That money is the root of all evil is a fallacy," concluded Rockwell. "The lack of it is the root of evil. Why do men steal, why do they commit any kind of crime? It is generally because of the lack of money."
