California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

ANOTHER ENTHUSIASTIC FIFTH WARD MEETING

Salem, Or., Feb. 23, 1909. The league was called to order by Mr. Fletcher, the president. Minutes of previous meeting read and approved. The subject of sewerage was then taken up and discussed. Mr. Minton, on behalf of the committee, made report of conference with city engineer, which was unanimously adopted by the league, and approved by Messrs. Stols and Elliott, councilmen from the seventh and fourth wards, and Millard of the sixth. A resolution was unanimously passed, to be presented to the council, that all improvements in fifth ward should conform to the Tillman grade, which was also approved by the visiting councilmen.

Another resolution was also passed requesting the city council to have a survey made for at least three sewers, and to have them all in one comprehensive system and so constructed as to accommodate Englewood and Rosedale additions, and they be constructed on Highland avenue, Belmont and Shipping streets, of found to be the best, and all three to be constructed this summer as far east as Capital street.

The subject for discussion at the next meeting will be street improvements, mountain water, a city-owned rock quarry and crusher, so we can pave our streets at the minimum cost.

The Fifth Ward League has an enrollment of about 50 enthusiastic members for a better Salem, and the enthusiasm increases at every meeting. Perfect harmony prevails. E. C. MINTON, Sec.

SMILES. Why shouldn't the big property owners of East Court street fight paving? They can go over onto State street and ride their autos.

Now push the boulevard, if you want to save the state fair to this city.

The farmers can always be trusted to do what Grant said of the Democratic party.

South Commercial street people will ask for bitulthic pavement to the bridge on this side, and over to Mission street on the other. They have some pride, if their property does not front on the state house.

Of course, it is very nice to have all the Marion county bills become law. We can afford to lose a little item like \$350,000 and not miss it. Our official salaries are all paid, and it will hurt no one but the mechanics, laborers and teamsters.

Making Good.

There is no way of making lasting friends like "Making Good" and Dr. Pierce's medicines well exemplify this, and their friends, after more than two decades of popularity, are numbered by the hundreds of thousands. They have "made good" and they have not made drunkards.

A good, honest, square-deal medicine of known composition is Dr. Pierce's Golden Medical Discovery. It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is so good as Dr. Pierce's Golden Medical Discovery. It's an honest, square-deal medicine with all its ingredients printed on bottle-wrapper—no secret, no hocus-pocus humbug, therefore don't accept a substitute that the dealer may possibly make a little bigger profit. Insist on your right to have what you call for.

Don't buy Dr. Pierce's Favorite Prescription expecting it to prove a "cure-all." It is only advised for woman's special ailments, it makes weak women strong and sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago. As an invigorating tonic and strengthening nervine it is unequalled. It won't satisfy those who want "booz," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the original Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor. Easy to take as candy—one to three a dose. Much imitated but never equaled.

'Twas a Glorious Victory. There's rejoicing in Fedoras. Tena. A man's life has been saved, and now Dr. King's New Discovery is the talk of the town for curing C. V. Pepper of deadly lung hemorrhages. I could not work or get about," he writes, "and the doctors did me no good, but, after using Dr. King's New Discovery three weeks, I feel like a new man, and can do good work again." For weak, sore or diseased lungs, Coughs and Colds, Hemorrhages, Hay Fever, LaGrippe, Asthma or any Bronchial affection it stands unrivaled. Price 50c and \$1 Trial bottle, free. Sold and guaranteed by J. C. Perry.

Feed the young horses regularly. Irregular feeding encourages bolting of food, leading to indigestion. De Witt's Carbolyzed Witch Haze Salve, the original, is good for anything when a salve is needed, and is especially good for piles. Sold by all Druggists. A bit of alcohol on a soft cloth will make your glasses shine and save your eyes. Seared With a Hot Iron. Or scalded by overturned kettle—cut with a knife—bruised by slammed door—injured by gun or in any other way—the thing needed at once is Bucklen's Arnica Salve to subdue the inflammation and kill the pain. It is earth's supreme healer, infallible for Boils, Ulcers, Fever, Sores, Eczema and Piles. 25c at J. C. Perry's. Watch the butter milk and be sure you are not losing lots of butter fat. Washington's Plague Spots Lie in the low marshy bottoms of the Potomac, the breeding ground of malaria germs. These germs cause chills, fever and ague, biliousness, jaundice, lassitude, weakness and general debility, and bring suffering or death to thousands yearly. But Electric Bitters never fail to destroy them and cure malaria troubles. "They are the best all-round tonic and cure for malaria I ever used," writes R. M. James, of Louellen, S. C. They cure Stomach, Liver, Kidney and Blood Troubles, and will prevent Typhoid. Try them 50c. Guaranteed by J. C. Perry. Little leakages cause big losses in the aggregate. Remember that.
