**HOME CURE FOR ECZEMA.**  
Oil of Wintergreen, Thymol, Glycerine, Etc., Used as a Simple Wash.

It really seems strange that so many people suffer year in and year out with eczema, when it is no longer a secret that oil of wintergreen mixed with thymol and glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true, cannot be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderfully soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash, the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. Prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Co., of Chicago, and our long experience with this remedy has given us great experience in its merits. The Capital Drug Co.

The "pure food" law is designed by the government to protect the public from injurious ingredients in both foods and drugs. It is beneficial both to the public and the conscientious manufacturer. Ely's Cream Balm, a successful remedy for cold in the head, nasal catarrh, hay fever, etc., containing no injurious drugs, meets fully the requirements of the new law, and that fact is prominently stated on every package. It contains none of the injurious drugs which are required by the law to be mentioned on the label. Hence you can use it safely.

### CALIFORNIA MAY HAVE INITIATIVE

[United Press Leased Wire.]  
Sacramento, Cal., Feb. 25.—Senator Marshall Black's constitutional amendment, endorsed by the Direct Legislation League, providing for the establishment of the initiative in California, was reported favorably today by the senate judiciary committee.

It was an unexpected victory, as the measure is not approved by many old-time politicians in the upper house.

The Black constitutional amendment does not prevent the legislature from enacting laws and statutes and proposing legislative amendments, just as it does now, but the provision is made that the people shall "reserve to themselves the power to propose by petition laws, statutes and amendments to the the legislature and to adopt or reject the same at the polls, independent of the legislature."

Petitions, making such requests, must be signed by 12 per cent of the qualified electors, and must be filed with the secretary of state, who must submit the proposed laws to the voters at the first election, which follows 90 days after the filing of that petition.

### BEING RICH SHE WILL NOT BE INDICTED

San Francisco, Feb. 25.—Although Mrs. James W. Cochrane, the wife of the millionaire attorney, forfeited her bail of \$250 for shooting her husband's friend, Mrs. L. K. Emory, and later surrendered after a bench warrant had been issued for her, it is intimated today that Mrs. Cochrane will not be prosecuted on a charge of assault to murder. It is also announced that a reconciliation between Cochrane and his wife has been effected, and that no divorce suit will be filed.

Mrs. Emory, who was shot in the hand by Mrs. Cochrane, is at a local hospital, and is was announced today by her surgeon that the wound, while serious, is not dangerous. The bullet entered the palm of the hand, severed several large blood vessels, but did not break any of the bones of the hand. She will be compelled to remain in the hospital, however, for another week.

### MR. F. E. FRERMAN IS NO LONGER SO

Seattle, Wash., Feb. 25.—After a remarkable chase, extending over a period of more than six months, Pinkerton detectives have arrested F. E. Freeman, a former merchant of Cleveland, Ohio, and he will be taken East at once.

Freeman was located yesterday at a lumber camp near Barneston, where he was running a donkey engine and arrested. He admitted his identity, and said he was glad the hunt was over.

Freeman is charged with having swindled wholesalers of Eastern cities out of several thousand dollars, according to the detectives who traced him through several Eastern States, British Columbia and Alaska.

### WOMAN DOCTOR DOWNS COMPETITORS

[United Press Leased Wire.]  
New York, Feb. 25.—After being first in a competitive examination of 35 physicians, all of whom were men, Dr. Mary Crawford, 25 years of age, was made house surgeon of the Williamsburg Hospital today. She is believed to be the first woman ever to have held a similar position in a hospital of such size.

### Two More Happy. Next!

County Clerk Allen gave Cupid another boost yesterday afternoon by issuing a glory ticket to Harold B. Looney, 21, of Jefferson, and Eugena H. Smith, 18, of Turner. Clerk Allen states that the marriage business is going along slowly at present, but upon the near arrival of the month of June things are expected to live up in the marriage line, as "in the spring, the young man's fancy gently turns to thoughts of love."

Invite your neighbor to have dinner with you occasionally, and never fail to go out when you are invited. We all get tired of home cooking in time, and a change is a good thing.

### BATTLING NELSON AND JIM JEFFRIES

[United Press Leased Wire.]  
Los Angeles, Cal., Feb. 25.—Batting Nelson journeyed to the Santa Anita race track Wednesday afternoon and dropped over to the ranch of "Lucky" Baldwin, who is thought by many to be fighting his last battle with the Grim Reaper.

Bat conversed for a few moments with the aged millionaire, who shortly afterward suffered a collapse which threatened death.

Nelson leaves Los Angeles today for Paso Robles Hot Springs, where he says he will remain for several days before going to San Francisco.

Jim Jeffries, weighing 22 pounds less than he did two weeks ago, returned to Los Angeles yesterday and will leave over the Salt Lake line Friday for New York, where he is to open a theatrical engagement that according to schedule will last for 20 weeks.

"I am going to continue training but can't say anything more than I have as to re-entering the ring. Let it be 'No' for a while yet anyhow," said Jim.

### RUSSIAN NOBLES WANT NOVITSKY PAPERS

[United Press Leased Wire.]  
St. Petersburg, Feb. 25.—Desperate efforts are being made by several men high in Russian official and court life, it is learned through Duma gossip, to secure possession of the unpublished diary of the late Director Novitsky of the department of gendarmes at Kieff, enough of which has been made public by the few who have seen it to furnish ground for the fear that it may implicate many still living notabilities in the Azer scandal, or in others of a similar character.

### ALBERTA GUARANTEES RAILROAD BONDS

Edmonton, Alberta, Feb. 25.—The Alberta government today decided to guarantee bonds of the Canadian Northern and Grand Trunk railroads for a total of \$27,435,000 for the construction of 1681 miles of track through the provinces. The bonds will run 20, 30 and 40 years, and will be placed in New York and London.

### Worn Out.

That's the way you feel about the lungs when you have a hacking cough. It is foolishness to let it go on and trust to luck to get over it, when Ballard's Horehound Syrup will stop the cough and heal the lungs.

Price 25c, 50c and \$1.00 per bottle

The heart action is better; digestion improved, the sluggish condition overcome, and healthy activity re-established.

"Dr. Miles' Nerve is worth its weight in gold to me. I did not know what ailed me. I had a good physician but got no relief. I could not eat, sleep, work, sit or stand. I was nearly crazy. One day I picked up a paper and the first thing that met my eyes was an advertisement of Dr. Miles' Nerve. I concluded to try it and let the doctor go, and I did so. After taking two bottles I could dress myself. Then I began taking Dr. Miles' Heart Cure and now I can work and go out, and have told many the benefit I have received from these remedies and several of them have been cured by it since. I am fifty-nine years old and pretty good yet."
