California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate.

California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.

The rate from Salem to Los Angeles and return is $55. Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

ROOSEVELT GIVES SPECTACULAR DINNER

[United Press Leased Wire.]

Washington, March 1.—One of the strangest collection of guests ever seen since Theodore Roosevelt became President of the United States, gathered at the White House today for a farewell luncheon with the President. When the first course was served at 1:30 this afternoon, men who had been highest in the councils of the nation and the counsel of the President were seated with men who hunted, fished and rode with him in different parts of the United States.

Members of the "Tenins Cabinet," who have been behind the Presidential chair for several years, were present. All the secretaries of the government departments, including Chief Forester Gifford Pinchot and Postmaster-General George Von L. Meyer and Ambassador Jesserand of France, were in attendance.

John Abernethy, the Oklahoma wolf hunter; Bill Sewall, the Maine guide; "Yellowstone" Kelly, Captain Seth Bullock, the first sheriff of Deadwood, S. D., were among the principal guests.

In an informal speech the President said:

"You are here nominally as members, or to meet members of the 'Tenis Cabinet.' You are the men with whom I have worked, played, boxed and rode. Really, you represent the men with whom I have worked during my administration.

"You have given loyal service. Through others has been accomplished the major part of all that I have done, and, in a vast number of cases, doing the work itself, has been your own reward. The credit came to me.

"There are many others I would liked to have had here, but there is no room."

In closing the President paid a high tribute to Secretary Garfield, of the interior, whom he denominated "the most useful minister that ever sat at a cabinet table."

Among those who were present were Beekman Winthrop, assistant secretary of the treasury; Herbert L. Satterlee, assistant secretary of the navy; William Phillips and John C. O'Loughlin, assistant secretaries of state.

COOPER CLAIMS CARMACK SHOT FIRST

[United Press Leased Wire.]

Nashville, Tenn., March 1.—To show that Senator E. W. Carmack fired the first shot in the pistol duel that led to his death at the hands of Robin Cooper, who, with his father, Colonel Duncan Cooper and John D. Sharpe are on trial, charged with Carmack's murder, the defense bent every energy today.

Evidence tending to support this theory that the Coopers acted in self-defense was introduced by their attorneys. They will endeavor to show that Carmack drew his revolver on seeing the Coopers and that Robin Cooper fired the fatal shot only after he had been wounded in the shoulder, and after he thought his father's life was in danger.

The defense probably will conclude its introduction of testimony tomorrow. The state is expected to occupy three days in submitting evidence in rebuttal.

RUN DOWN AND KILLED BY ELECTRIC CARS

[United Press Leased Wire.]

Los Angeles, Cal., March 1.—Mrs. Mary Nelson, a tourist from Wisconsin is dead and her husband is probably fatally injured today as the result of being run down by a suburban car at El Monte last night. The aged couple's son, Oscar, a resident of Los Angeles, witnessed the accident.

The Nelsons attempted to flag an inbound suburban electric train. Under the company's rule the train was not allowed to stop at El Monte, and it did not slow down. The aged couple, expecting the car to stop, walked onto the tracks and were run down before they realized they were in danger.

The secret of the glow worm and fire-fly is yet unsolved by science. Their light is entirely unaccompanied by heat.

A Woman's Back

Has many aches and pains caused by weaknesses and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening nervine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and at tested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy OF KNOWN COMPOSITION, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of *his* and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.

A Religious Author's Statement.

Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." J. C. Perry.

The senators slashed the poor old Indian war veterans, but gave the grabbers all they asked for. They will not fool anyone.

"My three year old boy was badly constipated, had a high fever and was in awful condition. I gave him two doses of Foley's Orino Laxative and the next morning the fever was gone and he was entirely well. Foley's Orino Laxative saved his life." A. Wolkush, Casimer, Wis. J. C. Perry.
