SUGGESTIVE QUESTIONS ON THE SUNDAY SCHOOL LESSON BY REV. DR. LINSOTT FOR THE INTERNATIONAL NEWSPAPER BIBLE STUDY CLUB.

(Copyright, 1908, by Rev. T. S. Linscott, D. D.)

MARCH 7, 1909.

Philip and the Ethiopian—Acts viii: 26-40.

Golden Text—Ye search the Scriptures because ye think that in them ye have eternal life; and these are they which bear witness of me.—John v: 39.

Verse 26—When God directs us by circumstances or by a friend, or by an angel, is it just as much from God as though He spoke to us directly?

I do not know whether this angel was a devout man, or woman, or a mental picture, or a dream, or a spirit; but he, she or it, convinced Philip, that God wanted him to go south; now how did Philip know that the impression to go south was of God; and how may we know under similar circumstances? This question (must be answered in writing by members of the club.)

May any person who is not playing double with God safely trust "the inward voice," to direct as to outward circumstances?

Verses 27, 28—Philip found that he had not come on a fool's errand; now is it not invariably so, that results of tomorrow, always justify the faith vision of today?

Seeing this Ethiopian was a man of exalted position, in a foreign country, what was the significance of Philip being sent to him?

Verse 29—When Philip saw this man's chariot looming up in the distance, perhaps after days or weeks of waiting, with more or less doubt; he got the impression that this was his opportunity; now from whom did he get the impression?

With what sort of a voice did the Holy Spirit speak to Philip?

If a man devoutly searches the Spirit used the circumstances, and Philip's reasoning processes, his hope and his fears, as God's voice, would that be as really the voice of the Holy Spirit, as if words were spoken by God out of the clouds?

Is it always safe for us to do as the Holy Spirit tells us, as in this case?

Verse 30—Was this Ethiopian a devout man?

If aman devoutly searches the Scriptures is he sure to find God?

If a man devoutly searches the book of nature with a desire to obey her laws, is he sure to find God?

Verses 31-34—Where in the Bible is the passage which the Ethiopian was reading?

Is it always necessary that some one should explain the Scriptures to us?

Can we understand the Scriptures or get the full import of any fact without the aid of the Holy Spirit?

Why could not or why did not the Holy Spirit explain this Scripture to the Ethiopian directly?

As a matter of fact was not the Holy Spirit guiding the Ethiopian as much as he was Philip?

Was Isalah conscious when he wrote these words, that they applied to Jesus; or did he think that he was describing some other person or persons?

Did not the prophets, as other in-

spired men, often write more wisely than they knew?

Verses 35-38—Did this Ethiopian need "converting" the same as a willful sinner, or did he, as a devout child of God, simply recognize Jesus as the sent of God, and was then baptized in his name?

Verses 39-40—Was Philip, so to speak, "spirited" away, or did he leave in a natural manner?

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator, and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, cut out a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach, or catarrhal dyspepsia; bowels (as catarrhal colitis, bladder, uterus or other pelvic organs). Even if the chronic or ulcerative stages of these affections it is often successful in affecting the cure.

The "Favorite Prescription" is a powerful yet gently acting invigorating tonic and nerve. For weak worn out, over-worked women—no matter what has caused the breakdown, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines, the words of praise bestowed on the several ingredients entering into Dr. Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are trained and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can afford to accept as a substitute for one of these medicines of known composition any secret nostrum.

Dr. Pierce's Pills, small, sugar-coated, easy to take, candy, regulate and invigorate stomach, liver and bowels.
