

Monday Morning We Started Our

# GREAT REMOVAL SALE

Owing to the severe weather we had for the past two months we could not complete our new building as soon as expected. Our Spring goods are now piling in on top of us and we have no place for them. We bought largely for our Spring trade, expecting to be into our new store by this time. You see the predicament we are in. Too many goods and no place to keep them. There is only one way out of this, and that is to Slaughter and sacrifice the prices until our new store is ready. Remember, we started this sale on Monday morning at 9 o'clock. The people of Salem were never before offered such bargains in merchandise that is not a week from the manufacturers. There will be no reserve. This sale applies to every article in the store, all the latest Spring goods.
