

COMMON SENSE

Lead's most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering them upon the bottle wrapper and advise its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody's eye, Dr. Pierce being desirous of having the search light of investigation turned fully upon his formulae, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages no medicine will do that yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption.

TAFT MAKES A FEW NOMINATIONS

[United Press Leased Wire.] Washington, March 22.—President Taft Monday nominated Charles W. Miller United States district attorney in Indiana, to succeed Attorney Kealing, who recently resigned rather than prosecute the publishers of the Indianapolis News for alleged libel in connection with articles on the purchase of the Panama canal by the government.

Kealing has written a letter to the attorney general in which he declares that he believes it wrong to indict persons at Washington for alleged offenses committed outside the District of Columbia.

President Taft made the following additional nominations: Indian Inspector, Lewis Dalby of Virginia; receiver of public moneys at Sacramento, Cal., John C. Ing; receiver of public moneys at La Grande, Oregon, Colonel E. Aberhardt.

FRENCH STRIKERS PRESENT DEMANDS

[United Press Leased Wire.] Paris, March 22.—At a general meeting of the representatives of the striking telegraphers and postal employees today, it was unanimously voted that the strikers should present a demand for a written promise that none shall be punished for leaving their positions when called on to strike. It was also decided that a demand be made for the revocation of objectionable orders issued by Under Secretary Simyan, of posts and telegraphs.

The strikers have expressed the fear that all government pledges will be disregarded, unless they are put in writing. The committee to which the demands have been entrusted have planned a conference with Premier Clemenceau.

Three-fourths of the city's telegraphers and telephone operators who were on strike, are working today. Others are returning to their places, and it is expected that by tomorrow all will be back in their old positions.

TRYING TO AID OTHERS HE WRECKED SHIP

[United Press Leased Wire.] San Francisco, Cal., March 22.—Believing that a fire on shore was a vessel afloat at sea, Captain J. C. Lancaster, of the steam schooner R. D. Inman, went to the aid of the supposed vessel, crashed on Duxbury reef late Saturday night, and today from the shore of Bolinas bay, the captain is watching his vessel go to pieces.

The Inman left this city Saturday afternoon bound for Portland in ballast, having left a large lumber cargo here. The night was murky and squally. The Inman was abeam of Point Reyes when the fire was sighted. In the rising gale Captain Lancaster misjudged the shore for the ocean, and headed toward what he believed to be a steamer in distress.

Shortly afterward the Inman crashed on the reef, and as she did so a thunderbolt burst with dazzling force and fury above the doomed vessel. The captain and his crew of 25 men fought their way to the shore through the surf, and no lives were lost.

They remained on the shore near the wrecked schooner all day yesterday, awaiting orders from the Inman's owner, F. S. Loop. They were supplied with clothing and food on the shore, and none is the worse for his experience.

The loss is estimated at \$120,000, but it is believed that the schooner's engine and valuable fittings can be saved.

BOOKMAKERS CAN PLY THEIR TRADE

[United Press Leased Wire.] Covington, Ky., March 22.—In a decision handed down today in the case of the Latonia Agricultural Association against the Kentucky Racing Commission, the court holds that the racing commission is illegal.

This means that bookmakers will be allowed to operate at the Latonia race track. Last fall the commission issued an order prohibiting any betting at tracks in this state except the "Paris mutuals" and auction pools in which the public bets against the public. At the time of the passage of the law creating the commission it was claimed that it was illegally constituted.

NEW HOTEL AT THE DALLES

Work on the erection of the new \$100,000 hotel will be commenced about April 1. The Dalles Hotel Company is now advertising for bids for the construction of the hostelry.

The bids will be received up to 8 o'clock on the evening of March 27, when, in all probability, the contract will be awarded to the lowest bidder, and then it will be but a matter of a but a few days until work on the big building will start.

In the notice to contractors, which is being published, the company states that the hotel must be completed by September 15, 1909, and the contractor receiving the contract for the work of erecting the hostelry will be required to furnish a bond of \$25,000 for the faithful performance of the contract, which means that the structure must be completed by the middle of next September.

The papers for the lease of the new hotel, when completed, to Nathaniel Clarke, of Portland, have been drawn up and will be signed in a few days.

"Dr. Miles' Nerve is worth its weight in gold to me. I did not know what ailed me. I had a good physician but got no relief. I could not eat, sleep, work, sit or stand. I was nearly crazy. One day I picked up a paper and the first thing that met my eye was an advertisement of Dr. Miles' Nerve. I concluded to try it and let the doctor go, and I did so. After taking two bottles I could dress myself. Then I began taking Dr. Miles' Heart Cure and now I can work and go out, and have sold many the benefit I have received from these remedies and several of them have been cured by it since. I am fifty-nine years old and pretty good yet."

My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." J. C. Perry.
