

If It's Neuralgia

and those sharp, shooting, agonizing pains drive you almost crazy, take Dr. Miles' Anti-Pain Pills, and get relief. They drive out the pain by their soothing effect upon the nerves. When taken as directed they are harmless, and leave no bad after-effects. That's the reason they are so popular with all who use them. Your druggist can tell you what others in your locality think of them.

"I do positively think that Dr. Miles' Anti-Pain Pills are the best medicine ever put upon the market. I find them so restful and soothing, and without any bad after-effects, I have suffered with neuralgia so that my system would just give up and I cannot take opiates; but I can take these tablets, and they always relieve me. No one that suffers with neuralgia need fear to take them as I know they will not form a habit, for if there was any opiate in them I could not take them. Just one in the morning when I feel bad, and I can do my work all day."

FUNERAL PARTY ON THE WAY WILL PASS SALEM THIS EVENING

Portland, Or., March 30.—Howard G. Cosgrove, son of the late Governor of Washington, left Portland at 1:30 o'clock this morning for Grants Pass, Or., where he will join the funeral party, which is accompanying the body of Samuel Cosgrove from Paso Robles, Cal., to Olympia, Wash., where funeral services will be held tomorrow.

Mr. Cosgrove is accompanied by his sister, Mrs. R. J. Kinnear. The funeral party will reach Portland about 11:15 tonight, and 30 minutes later will leave in special cars attached to the regular Northern Pacific train. If there are no delays Olympia will be reached at 6 o'clock tomorrow morning.

SUFFRAGETTES WORRY POLITICIANS

Spokane, Wash., March 30.—Although the suffragettes of Spokane declare that no candidate for the mayoralty nomination, unless he bears their stamp of approval, has much of a chance of winning, none of the candidates seem eager to accept invitations to address a meeting of the women to be held tonight for the purpose of picking their own man for the office.

The suffragettes may endorse a Republican, and also a Democrat. In order that they may acquaint themselves with the views of each candidate in the field they are anxious to have him appear before them and express those views. The Republican and Democrat who makes the best impression, providing the candidates appear at the meeting, will leave with the suffragette label on him.

Mrs. Mary Arkwright, one of the leaders of the movement, has already selected Senator R. A. Hutchinson as her choice for the nomination.

SWIFT'S HEIR HOPELESSLY INSANE

Chicago, March 30.—Herbert L. Swift, heir to the millions left by Gustavus Swift, founder of the vast packing house bearing that name, is hopelessly insane. Although he has been an inmate of a sanitarium at Knellworth since March 8, the fact that he has been adjudged insane by a committee of physicians did not become known to the public until today. Louis F. Swift told the county court, when the order sending Herbert Swift to the sanitarium was issued, that the latter had recently attempted to harm every member of his family. Herbert Swift, who is 33 years old, has an annuity of \$8000, and 14 years hence he will receive \$1,000,000.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach and digestive processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or even eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms are Dr. Pierce's Golden Medical Discovery, or Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.
