

## MUST TAKE OUT LICENSE TO FISH

That a general raid will be made on the fish in Marion county streams as soon as the season opens, is evidenced by the number of inquiries received by the game warden, regarding the license requirements and other points of the law.

The license under the new game law are not due until May 25. Up until that time, the fish are anybody's.

## Biliousness

"I have used your valuable Cascarets and find them perfect. Couldn't do without them. I have used them for some time for indigestion and biliousness and am now completely cured. Recommend them to everyone. Once tried, you will never be without them in the family."

Edward A. Marx, Albany, N. Y.

Pleasant, Palatable, Potent, Taste Good, Do Good. Never Sickens, Weakens or Grips. Do not use if you are in bulk. The genuine Cascarets stamped C. C. O. Guaranteed to cure or your money back. Sterling Remedy Co., Chicago or N.Y. for ANNUAL SALE, TEN MILLION BOXES

meat, provided they can catch them. After the 25th of May, every fisherman will be compelled to take out his license before wending his way to the mountain streams.

According to local sportsmen well versed in the arts and seasons of successful angling, there will be no fishing until long after the first of the month, owing to the recent snow fall in the mountains and the foothills. The snow will have to leave the foothills before the streams will be clear enough to make trout fishing possible.

Another question upon which the people are racking the patient nerves of the game warden is whether one license will do both the hunter and the fisherman. The ultimatum has been issued that both a hunter's and a fisherman's license must be taken out by the men who would wield both the gun and the rod.

You cannot always gauge the importance of a man by the angle at which he wears his hat.

Kennedy's Laxative Cough Syrup is free from all opiates and it cures the cold by gently moving the bowels. It is especially recommended for children, as it tastes nearly as good as maple sugar. We sell and recommend it. Sold by all druggists.

**Rheumatism.**  
More than nine out of every ten cases of rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by all good druggists.

Most men would rather attend a horse trade than a prayer meeting.

**Object to Strong Medicines.**  
Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by all good druggists.

**Best Treatment for Colds.**  
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune. "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by all good druggists.

That a general raid will be made on the fish in Marion county streams as soon as the season opens, is evidenced by the game warden, regarding the license requirements and other points of the law.

We often wonder how any person can be persuaded into taking anything but Foley's Honey and Tar for coughs, colds and lung trouble. Do not be fooled into accepting "own make" or other substitutes. The genuine contains no harmful drugs and is in a yellow package. For sale by J. C. Perry.
