## SUGGESTIVE QUESTIONS ON THE SUNDAY SCHOOL LESSON BY REV. DR. LINSKOTT FOR THE INTERNATIONAL NEWSPAPER BIBLE STUDY CLUB.

(Copyright, 1908, by Rev. T. S. Linscott, D. D.)

Peter and Cornelius. Acts x:1-48. Golden Text—In every nation he that feareth him and worketh righteousness, is accepted of him. Acts x:35.

Verses 1-8—Was a devout Roman in those days as well pleasing to God as was a devout Jew?

Can you give any reason today why God is not as well pleased with a devout Roman Catholic, as he is with a devout Protestant?

What reason is there for or against the idea, that revelations and visions were given to devout men of all nations in those days, as well as the Jews?

Verses 9-16—Is it wise and profitable to have certain set times for prayer, or is it better to be always in the spirit of prayer, and let our needs or the Holy Spirit, direct as to special times for prayer?

Are people who are not seeking for revelations, likely to have them?

The eating of the flesh of those animals, or most of them, which Peter saw in his vision, is forbidden in the Old Testament; how do you account for it, that "the word of God," and the spirit of God do not agree in this case?

Peter in the first instance struck to his creed and refused to obey the direct voice of God; was he right or wrong in so doing?

Just we, in thought, be bound in all things by the written words in the Bible, and refuse to obey any direction of the Holy Bible to the contrary?

Verses 17-27—Does God blame us if we test what we think to be revelations before we act upon them?

When God gives a revelation that is not unmistakably clear, may we depend that he will arrange circumstances, or give another revelation to clear up the doubt, as in this case? Was Cornelius reconciled to God, or an accepted child at this time?

Verses 28-29—Are any of the Commandments of the Bible to be tested by the teaching of Jesus, and by the spirit of God, or must we unhesitatingly obey them all, just as they read, without any question? (This question must be answered in writing by members of the club.)

Verses 30-33—If we prayed and fasted more, should we have more visions of God?

Is there any merit in good works; and how much, if any, credit does God give for them?

Does God in these days give by his Spirit, such detailed and matter-of-fact instructions, as he gave to Peter and Cornelius?

Verses 34-43—What is the ground of a man's acceptance with God, according to Peter's statement here?

According to the suggestion in verse 27, Cornelius had heard about Jesus, his teaching, his death and resurrection; is it at all unlikely that he was a believer in Jesus?

Verses 44-48—What is the meaning of the Holy Spirit falling upon this company?

Excepting the gift of tongues, are all Christians privileged to receive the Holy Ghost as these persons did?

How may a Christian in the state Cornelius was, receive the Holy Ghost as he did?

Lesson for Sunday, April 11, 1909—Easter Lesson, I Cor. xv:12-28.

## CHURCH SERVICES

## SICK HEADACHE IS A DANGER SIGNAL

IT INDICATES TROUBLE SOMEWHERE THAT MUST BE CORRECTED.

A Tonic That Oxygenates the Blood Will Effect a Cure in the Majority of Cases as It Did in This One.

Sick headache is one of the provisions by which nature gives timely and definite warning that there is something wrong with the health of the body. Its exciting causes are varied and numerous. The stomach may be out of order, the bowels sluggish, the nerves fatigued or overtaken, the body tired out or fagged by loss of sleep, overwork, grief, worry, excitement, or poisoned by impure air or improper food. Weakness in women is also a common cause. These conditions, which seriously affect the general health of the body and fill the blood with poisons, are first announced by a headache.

The treatment of sick headache then does not call for a drug which simply deadens the pain but for a medicine which will remove the more serious trouble which causes it. This can best be done through the blood with the tonic treatment with Dr. Williams' Pink Pills. The pills enable the blood to take up added oxygen and so cleanse it of all impurities and make it rich and red. In doing this they restore the strength and health of the entire body and not only give permanent relief from headache but cure the more serious trouble which is its cause.

Mrs. H. T. Dickinson, wife of Prof. Dickinson of the Western Bible and Literary College, of Odessa, Mo., says:

"Ever since I was a young girl I suffered with sick headaches. I had them every few days and would be deathly sick while they lasted. Oftentimes I was subject to vomiting spells and would be confined to bed for a day or so. I tried many medicines that were recommended to me, but nothing relieved me until I tried Dr. Williams' Pink Pills. After taking the second box I noticed an improvement. I gave the pills a thorough trial and can truthfully say that they have cured me."

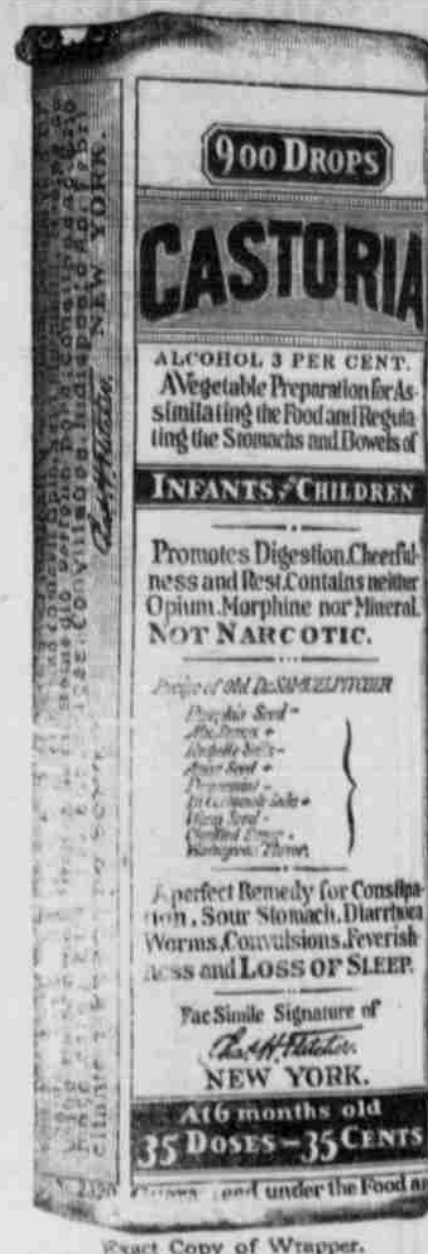

Dr. Williams' Pink Pills contain no harmful or habit-forming drugs and the sufferer from headache, who gives them a trial, will avoid the danger so common in taking drugs which only deaden pain.

These pills have also cured such blood and nerve diseases, as anaemia, rheumatism, stomach trouble, nervousness, neuralgia and St. Vitus' dance.

They are for sale by all druggists, or will be sent, postpaid, on receipt of price, 50c per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

The Circus

acrobats find it necessary at all times to keep his muscles and joints supple. That is the reason that hundreds of them keep a bottle of Bal-
