

SMILES.
The defeat of Senator Bingham for mayor of Eugene, an able and popular man, in a strong Republican city, shows that there is something more behind city government than party politics. In order to win at Portland the Republicans will have to do something besides put up a strong partisan.

A Portland court holds that there

is nearly \$7000 due that city from justices who have collected marriage fees. It would be interesting to know what the fellows or the women would pay the city to get out of it.

City Attorney Keyes has about three times as much work as one man can do. But what does he think of the aldermen, who have more than they can do, an odd lot for glory?

Madame Modjeska's maiden name was Bexeda. She married Gustav Modzejewski in 1861, and some time after her husband's death married her present husband, Count Chlapowski. It shows the acme of genius to have carried both these names through life, and still become great.

A dispatch this morning says that the new consul-general for San Francisco, from Japan, has arrived, and that his wife donned American clothes in honor of the occasion, "and made a pretty picture when she did it." No doubt, but what the horse editor wants to know is how the press agent discovered the fact.

Another municipal graft—fitting up quarters at the city hall to put boys and girls in jail, and rigging up a municipal court. Watch it develop and the fruit ripen, and some one get on the payroll, all in the cause of humanity.

DeWitt's Little Early Risers, gentle, easy, pleasant, little liver pills. Sold by all druggists.

A KNOCKER
is a man who can't see good in any person or thing. It's a habit caused by a disordered liver. If you find that you are beginning to see things through blue spectacles, treat your liver to a good cleansing out process with Ballard's Herbina. A sure cure for constipation, dyspepsia, indigestion, sick headache, biliousness, all liver, stomach and bowel troubles. Sold by all dealers.

It is better to regard the soil and its condition than the almanac as to the proper time to plant.

Rheumatism.
More than nine out of every ten cases of rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by all good druggists.

If Roosevelt don't kill and lions he may get even with them by adding them to the Ananias club.

The Circus
acrobat finds it necessary at all times to keep his muscles and joints supple. That is the reason that hundreds of them keep a bottle of Ballard's Snow Liniment always on hand. A sure cure for rheumatism, cuts, sprains, sore throat, lame back, contracted muscles, corns, bunions and all points. Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.

A prominent reason why every man is glad he is not a woman is that he can wear his own hair only, and wear it short.

Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by all good druggists.

Nowadays the pain consequent upon pulling a woman's hair is not proportioned to the quantity she usually wears.
