COLLEGE OF ORATORY
RECITAL TONIGHT

The College of Oratory of Williamette University will give the last of the year's recitals in the chapel of the University at 8 o'clock tonight. The recital will be exceptionally good and in it the students will appear for the last time before the graduate recitals, which will take part some time the latter part of next week. As usual it is expected that a large crowd will be present, so it will be necessary for one to go early to get a good seat. The people of the Capital City appreciate this work of the oratory college, and have shown this by attending liberally, and giving enthusiastic applause. As this is the last of the undergraduate recitals, Mrs. Sara Brown-Savage has arranged an excellent program. As usual, again, the public of the city are cordially invited to attend.

TWIN BOYS SENT
TO REFORM SCHOOL

Two little boys were brought before Judge Moores this morning charged with larceny and committed to the reform school. The unfortunate lads were twins, both being 16 years of age. Day Officer Larry Murphy found one of the youngsters under his bed Saturday morning, where he had presumably been hiding, waiting until the officer went to sleep and then to make way with the contents of that officer's pockets. It is not known how the boy entered Officer Murphy's room in the Eldridge rooming house, but when the officer had partly undressed, and was preparing to get in bed, he became aware of some one being in the room, and made a search, finding the little chap hidden under the bed. The other lad was picked up this morning by the officers.

REACHING THE SPOT.

It Can Be Done, So Scores of Salem Citizens Say.

To cure an aching back.
The pains of rheumatism.
The tired-out feelings.
You must reach the spot—get at the cause.

In most cases 'tis the kidneys.
Doan's Kidney Pills are for the kidneys.

F. A. Sutton, 1125 Waller street, Salem, Ore., says: "For ten or twelve years, rheumatism and kidney trouble was the plague of my life, and two or three times I was laid up on account of the severe pain in my back. I could hardly move, owing to the lameness and had to leave my farm and come into the city to doctor for the trouble. Nothing seemed to bring me more than temporary relief, and I was in bad shape when I went to Dr. Stone's drug store and procured Doan's Kidney Pills. My

limbs would scarcely support me, and I could only get around with the greatest difficulty. Doan's Kidney Pills benefited me at once, and when I had used three boxes I was free from every symptom of my old trouble, and my health was better than it had been in years. Doan's Kidney Pills are the best kidney remedy I ever used."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by all good druggists.

Azomis, Azomis, What Is Azomis?

It is unique and marks an advance upon anything hitherto produced for the hygienic care of the skin. It is an original combination of a bland emollient basis with a delicate perfume and such healing, soothing and mildly antiseptic agents as tend to supplement its action and render it acceptable to the most sensitive skin. It is distinguished from conventional preparations by the absence of glycerin, caustic and any oily or fatty constituents. Hence it is completely absorbed without leaving a gloss or hindering the normal action of the skin.

"AZOMIS" soothes irritation, removes and prevents roughness, redness, tan, and sunburn, imparting to the skin a delicate whiteness and a perfect feeling of healthfulness. It greatly assists in the removal of freckles and is useful in allaying inflammation from the bite or sting of insects. Owing to its mildly antiseptic properties "AZOMIS" has a healing effect upon superficial injuries. It is recommended to those who are devoted to outdoor sport and exercise, as it may be applied immediately before going out without wrinkling the face and hands in water.

Herein lies one of the great advantages of "AZOMIS," as the action of the cream is secured and maintained when it is most required. Sells in other cities for 50, only 35c, at
