PROMOTION ROLL OF HONOR FOR SALEM

Names of Those Who Have Made the \$10,000 Promotion Fund and 25,000 Population in 1910 Possible—Nay, a Certainty, for Salem.

The Board of Trade numbers among its members the leading business and professional men of the city. These people see the great value of building up the city and surrounding country by intelligent, legitimate advertising and development. Among its membership can also be found the names of some active business women and property owners. Many Salem women have made good profits on real estate investments during the past year, as a result of the Board of Trade's work. Other ladies, who simply own their own homes, find that they have gained a liberal increase in values, and they contribute their mite very cheerfully to an organization which helps them to tangible results.

Within the past week many new names have been added to the publicity fund for a Greater Salem, and which, with a few additions, will reach \$1000 per month, and they are still coming in. Following is a roster of those who are subscribers to the publicity fund, which is still growing—men and women who are helping to build up Salem.
