OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Adrian, Ga.—"I suffered untold misery from a female weakness and disease, and I could not stand more than a minute at a time. My doctor said an operation was the only chance I had, and I dreaded it almost as much as death. One day I was reading how other women had been cured by Lydia E. Pinkham's Vegetable Compound, and decided to try it. Before I had taken one bottle I was better, and now I am completely cured."—LENA V. HENRY, Route No. 3, Adrian, Ga.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound? For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

Notice to Odd Fellows.
All members of Chemeketa Lodge, No. 1, L. O. O. F., are requested to meet at the Yankee stables at 8 a. m. Sunday morning to participate in the funeral of our late brother, L. B. Geer.
W. H. FOLGER, N. G.,
W. H. PETTIT, Secy.

New Corporations.

Royland Amusement Company; principal office, Portland; capital stock, \$25,000; incorporators, E. W. Anderson, D. G. Lebb and Gertrude Kelcher.

A Family Medicine Without Alcohol

A Strong Tonic - Without Alcohol
A Blood Purifier - Without Alcohol
A Great Alternative - Without Alcohol
A Family Medicine - Without Alcohol

Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

SEATTLE MARATHON RACE RESULTS IN GREAT CALAMITY

Railing at Armory Gives Away and Five Are Probably Fatally Injured—Forrest Smithson Sets New World's Record.

[United Press Leased Wire.]
Seattle, Wash., May 7.—Prosecuting Attorney George F. Vanderveer said this morning that he would order an investigation of the accident in the national guard armory last night, in which 61 persons were injured, many of them seriously.
"It seems incredible to me," said Vanderveer, "that such an accident should be possible in a building like the new armory. I was witness to the collapse, and the marvel to me is that there were not more injured and some killed."
The accident happened just at the finish of the ten-mile Marathon race, shortly after 10 o'clock, and was caused by the giving way of an iron railing in the balcony, which precipitated at least 100 spectators to the floor below, a distance of about 12 feet. Almost every one of those who took the plunge was injured.
Inquiries today at the hospitals and homes of the victims indicate that 20 are seriously hurt, and of these five may die.
Probably fatally injured: Cecil Thornton, 14 years old. John Murray, 19 years old. R. L. Green, student at University of Washington.
Mrs. O. F. Spriggs. B. M. Simonson, Brighton Beach.
The balconies were crowded with people who had come to attend the first track meet held in the new hall, F. L. Jackson, of the Seattle Athletic Club, and Ed. Crabbe, of the Allen Preparatory school, of Portland, began a close and exciting neck and neck race in a ten-mile Marathon. The men went five laps around the hall and were nearing the finish line, side by side, when the crowd, mad

with excitement, leaped far over the iron railing to get a better view of the finish of the spectacular struggle. Suddenly there was a chorus of screams, and the frail piping swayed outward and snapped. The fringe of spectators along the edge of the balcony were hurled upon the heads of those below, and in a moment the floor became a scene of chaos. Police and firemen were quickly summoned, and in five minutes ambulances and patrol wagons were at the scene of the accident. Some of the injured persons were taken to hospitals, while others were removed to their homes.
At the time the accident occurred, Jackson, the Seattle runner, had forged ahead, while Crabbe stuck gamely to the leader, not more than three feet separating the two men. Within a short distance of the lap Jackson was knocked from his feet by the force of the falling bodies from above, and, although dazed and shaken, he scrambled to his feet and fell over the finish line. Crabbe was almost buried beneath a mass of people, and could not rise. Neither was seriously hurt. Crabbe sustained a slight contusion of the head.
Until the accident put an end to the track meet, the initiative contests in the new armory were marked by brilliant performances.
Forrest Smithson, of Portland, set a new world's record for the 50-yard low hurdles, by running the distance in 5 4-5 seconds, closely pressed by Joe Malcolmson, of the Seattle Athletic Club.

RAILROAD STATIONS ORDERED

The Southern Pacific company has written the railroad commission that it will erect a depot in Glendale, Or., as requested by the citizens of that town to handle freight and passengers. The commission stated also that larger yards and grounds will be purchased.
The railroad commission made an order today to the O. R. & N. Co. compelling it to establish a regular agency at Rufus, Or., to accommodate the patrons of the line at that town. This order was made on the commission's own motion.
The commission is at Comstock today hearing a case against the Southern Pacific company regarding the erection of a depot at Curtain, Or., a little station within a few miles of Forest Grove.

HAINES EMOTIONAL OUTBURST

[United Press Leased Wire.]
Flushing, L. I., May 7.—The prosecution in the trial of Captain Peter C. Haines, slayer of William E. Annis, devoted its time today to rebuttal of the testimony of the defense that the officer was insane at the time of the killing.
Dr. Houghton, the ambulance surgeon, who attended Annis, was placed on the stand for cross-examination today. After a few questions of little importance, he was dismissed.
Edwin Andrews, Jr., and M. L. Downs were the next witnesses. Both testified that they believed Haines to be rational at the time of the killing.
Charles H. Roberts and Detective O'Fallon added their testimony that Haines seemed rational at the time of the killing.
Dr. Brink was then called to the stand and listened to an 8000-word hypothetical question, which was read to him by the prosecution. In answer he stated that Haines was suffering from a "simple emotional outburst" when he killed Annis.

MANY NEW ROADS ARE PETITIONED FOR

The county commissioners are besieged with road petitions today wanting highways established in the different districts. The same difficulty is being realized by the commissioners during this session as heretofore regarding petitions which are being signed three and four times by the same party. All such petitions being presented to the court must be rejected until a proper drawing up is made by the respective petitioners. A petition was filed this morning for a road in districts 3 and 4. The articles were signed by 50 residents of these districts.

ALL PARALYSIS NOT HOPELESS

This Man Had a Form That Was Curable and There Are Hundreds of Cases Like His.

There are still people who say that no form of partial paralysis can be cured.
If you have partial paralysis or some other severe nervous disorder, do you think it is better to be treated by someone who insists that you are incurable, or to take a treatment that grateful patients throughout the United States testify has cured them?
There are several forms of paralysis that are curable by the tonic treatment with Dr. Williams' Pink Pills and remarkable proof of the fact that the disease can be cured is found in the case of Mr. J. B. Stinson, of No. 1740 Madison avenue, Kansas City, Mo. He thus describes what he considers a miraculous cure:
"In November, 1903, I was taken sick with severe pains through my chest and in the region of my heart. The pains became gradually worse. One morning, while working in the field, I was taken with worse pains than ever and before I could get back to the house, my legs seemed to be paralyzed and I could just hobble along and had to be helped up the steps. I was in bed for over two years and so helpless that I had to be turned over. I was completely paralyzed from just below my heart down. I had not a particle of feeling in this part of my whole body. I wasted away until I was just skin and bones. My appetite was good. My kidneys were affected and I had no control over them. During the time I was in bed, two years, I was a nervous wreck and perfectly helpless.
"I was living at Lees Summit, Mo., during my sickness and was treated by two doctors. Both said that my case was paralysis. Their medicine did not seem to help me and they said I could not live. A friend sent me a clipping from a paper giving a cure of a case similar to mine by Dr. Williams' Pink Pills and I began their use soon after. I took the pills for some time before I was satisfied that they were helping me. I then began to have some control of my kidneys and bowels. I was finally able to get around in a wheel chair and continued to gain until I was able to walk with a cane. Like a child, I had to learn to walk again. I can walk now without any effort and no one would ever know what my condition had been. I feel as well as I ever did before the stroke, with one exception, I am not strong enough to do heavy work or lifting. I consider my cure a miracle as does everyone who knows of it."
There is absolutely no way in reaching the nerves with medicine except through the blood. The nerves receive all of their nourishment and support from the blood which, under healthful conditions, carries the elements needed to rebuild wasted nerve tissue. It is through the blood that all functional nerve troubles must be cured.
Those who are interested in the treatment which cured this case can obtain further information by writing for the booklet, "Nervous Disorders," which we send free on request.
Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y.

SYNOPSIS OF THE ANNUAL STATEMENT OF THE BANKERS AND MERCHANTS MUTUAL FIRE RELIEF ASS'N, a mutual fire insurance association of Forest Grove, in the State of Oregon, on the 31st day of December, 1908, made to the Insurance Commissioner of the State of Oregon, pursuant to law:

Entire change of program today

CHICAGO MAN IS TO BE LIBERATED

[United Press Leased Wire.]
Vera Cruz, Mexico, May 7.—The American vice consul here left for Acayucan today in an effort to liberate Harold Sanborn of Chicago, who is dangerously wounded and under arrest there. It was learned today that Marcerio Vinces, a planter, tried to quell a fight among drunken Mexicans and killed all the victims except the girl whom Sanborn killed. Riouing, shooting and knifing are reported today at the Santa Fe ranch near Tlacotalpa.
The disorders today are believed to have resulted from the shooting Wednesday in which six Mexicans and a Mexican girl were killed.

A Smile

Is a pretty hard thing to accomplish when you're blue, bilious and out of sorts. There is a sure cure for all kinds of stomach and liver complaints—constipation and dyspepsia. Baidard's Herbine is mild, yet absolutely effective in all cases. Price 50 cents per bottle. Sold by all Dealers.

Governor John A. Johnson of Minnesota has accepted an invitation to deliver an address at the A.-Y.-P. exposition August 12, when the Minnesotans will hold a celebration.

Do It Now.

Now is the time to get rid of your rheumatism. You can do so by applying Chamberlain's Liniment. Nine cases out of ten are simply muscular rheumatism due to cold or damp, or chronic rheumatism, and yield to the vigorous application of this liniment. Try it. You are certain to be delighted with the quick relief which it affords. Sold by all good druggists.

L. R. Traver, principal of the training department of the Normal School at Monmouth, has been chosen city superintendent at Corvallis. Prof. Traver did splendid work building up the high school at Salem.

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all good druggists.

Colonel Roosevelt does not raise himself in the estimation of decent people by letting his son, Kermit, shoot gazelles away out there in Africa just for the fun of the thing.

DeWitt's Kidney and Bladder Pills are antiseptic and relieve pain quickly. Insist upon DeWitt's. Send your name to E. C. DeWitt & Co., Chicago, for a free trial box. Sold by all druggists.

Nervous People

And those afflicted with heart weakness may now have no fear of the dental chair. READ WHAT MRS. HANLEY SAYS: I had 19 teeth extracted at the Harvard Dentists' without the least pain, and highly recommend them.
MRS. HANLEY, Fremont Station.
Whalebone Plate \$10
A Great Discovery, the New Whalebone Plate, which is the lightest and strongest yet known; does not cover the roof of the mouth; bite corns off the cob; guaranteed 10 years.
\$1000—WE CHALLENGE THE WORLD.
We will forfeit \$1000 to any charitable institution for the dentist who can make a plate for \$15 as good as we make for \$10.

10 Year Guarantee

Gold Crowns, extra heavy.....\$5.00
Full Set Teeth (whalebone S. R. W.).....\$5.00
Bridge Work, per tooth, best gold.....\$5.00
