

Have You a Summer Stove?

The stifling air of a close kitchen is changed to comfortable coolness by installing a New Perfection Wick Blue Flame Oil Cook-Stove to do the family cooking.

No kitchen furnishing is so convenient as this stove. Gives a working heat at once, and maintains it until turned out—that, too, without overheating the room. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is built with a CABINET TOP just like a steel range. It is the most convenient stove ever made, and is almost indispensable to summer comfort. From its powerful burners to its handy racks for towels it is simply PERFECTION. Three sizes. Can be had either with or without Cabinet Top. Ask your dealer, or write our nearest agency.

The **Rayo Lamp** is a very handsome piece of housefurnishing and gives a clear, powerful light more agreeable than gas or electricity. Safe everywhere and always. Made of brass finely nickel-plated—just the thing for the living-room. If not with your dealer, write our nearest agency.
