#### DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous pros tration, another with pain here and there, and in this way they present alike to themselves and their easy-going or overbusy doctor, separate diseases, for which he, assuming them to be such, prescribed his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, reporant of the cause of suffering, repeaup his treatment until large bills are made. The suffering patient gets no better in reason of the wrong treatment, but probably worse proper needicine like Dr. Perces Favoriff Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of tration, another with pain here and there

#### **BATTLING NELSON PUT** ON MAT BY GRANEY

San Francisco, May 14.—Eddie Graney, once amateur lightweight champion of the Pacific coast, is the second man who ever put Battling Nelson on the mat with a real punch. The Battler is taking the count every night at a local theatre, but has ac-tually been knocked down only

The Battler did not like the experience particularly and the smile with which he greets "joshers" is rather sickly. The event took place yesterday when Graney and Nelson were engaged in a friendly sparring match in the gymnasium of the Olympic club. The first round was a tame affair but when the pair jumped into the ring for the second whirl things began to hum. Graney is a better boxer than the Dane and seeing an opening, he landed. When the boy who put Hegewisch on the map hit the mat, the select few who had been allowed to look on could hardly beneve their eyes. None of those presnt will say today how long the Battler remained down. When Nelson regained his feet he

was feeling somewhat peevish. He accused Graney of "putting one over" in a friendly, harmless match. Graney came back with the assertion that it was the Dane who had started to rough it. Things began to look murky but Nelson recovered his good nature after a moment and, extending his hand, said, "Shake; you are the second man that ever did that to me."
