

STANLEY KETCHEL TO FIGHT BILLY PAPKE

[United Press Leased Wire.]
San Francisco, May 19.—Stanley Ketchel has agreed to make weight for Billy Papke, and Promoter Coffroth announced today that he felt that a match between the two men for the middleweight championship of the world was assured for Colma July 5. Ketchel's only demand was that Papke post \$5000 side money. This the Kewanee boy has agreed to do.

Coffroth's lengthy wire conversation with Willis Britt, representing Ketchel, ended near midnight, about the time that Papke and his brother had decided that they had better accept McCarey's offer to meet Jim Flynn, at Los Angeles. In fact, arrangements had been made to sail for Southern California on a boat leaving today, when word came from the East that Ketchel was willing to fight.

Papke is confident that he can whip Ketchel, and Ed. Papke, agent for Billy, enthusiastically exclaimed: "Take it from me, Ketchel will never have a chance to meet Jack Johnson after Billy finishes with him."

"We didn't ask anything out of the way, and I feel sure that Ketchel would agree to terms when he had decided to stay out of the middleweight class. Papke stays in his class, and has a right to demand that any man who wishes to claim the championship make weight for him."

Papke's weight demand was 158 pounds three hours before the fight; the same weight agreed upon for the fight in San Francisco when Billy was knocked out by Ketchel.

The purse division agreed upon by the fighters is 75 per cent to the winner and 25 to the loser, but it is anticipated that each will demand other concessions, and Coffroth does not expect to get the articles signed for several days.

STRUCK BY FALLING TREE, DIED THIS MORNING

J. W. Steel died at the Salem Hospital this morning at 2 o'clock, as the result of being pinned under a falling tree yesterday afternoon while clearing a piece of property a few miles south of the city.

The unfortunate man was engaged at the time cutting down a tree, along with several other men, when two trees fell at once. He called to the others to look out, but neglected to take the same precaution, and one of the trees caught him. His skull was fractured by the blow, and he was removed to the Salem Hospital unconscious. Dr. E. T. Fisher gave him all the medical aid possible, but he never regained consciousness, and passed away this morning.

BATTLING NELSON TO MEET THOMPSON

[United Press Leased Wire.]
San Francisco, May 18.—Batting Nelson will meet Cyclone Johnny Thompson in Coffroth's Mission arena, September 9, according to an agreement between the champion lightweight and the promoter at their conference last night. In addition to this, Coffroth obtained Nelson's consent to another battle between May 29, when he meets Dick Hyland, and the September date. His opponent for this match will be decided later.

The Dane is wroth over Billy Pap-

ke's advocacy of Chick Hudson, the Seattle lightweight.

"I'll take Hudson on for that extra date," said Nelson today, if Papke will make good his bluff, and put up some coin. The only consideration under which I will meet a man of Hudson's class is a chance to profit by it financially. Let Papke produce \$5000, if he thinks Hudson can beat me.

Seattle Markets.

Nature's Remedies for Disease.

Nature provides more effective remedies in the roots and herbs of the field than were ever produced from drugs.

Thirty years ago, Lydia E. Pinkham of Lynn, Mass., discovered and gave to the women of the world a remedy made from roots and herbs which has proved more efficacious in curing women's diseases than any other medicine the world has ever known and today Lydia E. Pinkham's Vegetable Compound is looked upon everywhere as the standard remedy for woman's ills.

ABOUT THE SERVICE TO ROCK QUARRY

Practically all the evidence is in the matter between the Portland Railway Light and Power Company and the citizens of Salem Heights concerning the extension of passenger service to the rock quarry, and the commission will decide on the case within a short time. There seems to be a question in the minds of the street car people as to whether or not they are at liberty to operate this passenger service over the extension which is now being used to haul rock from the quarry. The county court, according to testimony given during the hearing, gave the railroad people permission to operate cars over the extension for the purpose of transporting rock to the city from the quarry, and nothing was said concerning a permanent franchise with a permit to do a regular passenger service business. The company has been busy of late looking into the matter of extending their service from the line of the city limits to the rock quarry and is apparently anxious to accommodate the people in the Salem Heights district if it is practicable.

Eighty unions at noon today voted to join the striking postmen and telegraphers of France. The membership of these organizations numbers thousands of workmen. They are awaiting orders to walk out.

Hoarseness, bronchitis and other throat troubles are quickly cured by Foley's Honey and Tar as it soothes and heals the inflamed throat and bronchial tubes and the most obstinate cough disappears. Insist upon having the genuine Foley's Honey and Tar. J. C. Perry.

W. S. U'Ren has filed the first recall petition against Judge Gates of Portland, formerly Governor Chamberlain's private secretary, and appointed judge by him.

IT WAS MURDER FIRST AND THEN SUICIDE

Prineville, Or., May 19.—All doubt as to the manner of the death of Louis H. Worley and his wife, was removed yesterday by the finding of the following letter pinned on the gate-post of J. E. Lamb, a neighbor. It is evident that Worley, after killing his wife, took the letter to Lamb's, and then returning home killed himself. He was a degenerate. The letter reads:
"Mr. Lamb: This is all a mistake. Ruth said this morning that she did not want to live with me. She did not like it here. This morning my pocketbook with all my money was missing; did not say she took it until I was certain that nobody else took it. She asked me how far it was to Shaniko and this morning said she was going to Shaniko to earn a living and go back East again. I treated her as good as I could, and then robbing me of all my money I had and going to leave me, I could not stand it any longer, so think we are both better dead."
(Signed) "L. H. WORLEY."

YOUNG COLLEGE MAN ACCIDENTALLY KILLED

Pullman, Wash., May 19.—R. E. Davidson, a member of the junior class, and recently elected editor of the "Chinook," the publication of the Washington college, is dead today from a gunshot wound, caused by the accidental discharge of a gun he was carrying yesterday. He was out with a party of friends, and was about 15 miles south of Pullman, when the accident occurred. Death was instantaneous.

Davidson was a member of the victorious debating team that met the University of Montana, and was one of the best shots on the state college rifle team that won the championship of United States colleges and universities in the recent rifle shooting contest.

A CARD

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. J. C. Perry.
