KERMIT SHOT A LEOPARD TEDDY KILLED A SNAKE

(By Warrington Dawson, Staff Correspondent of the United Press.)
Nairobi, May 20.—Kermit Roosevelt's marksmanship saved the life of the leader of the native "hunters," who accompanied him on a leopard hunt late yesterday afternoon, according to news brought here today.

The natives ousted a leopard from the bushes, but their leader did not get away fast enough, and was knocked down by the animal. Kermit saw the native's danger, and fired a shot into the air to attract the animal's attention.

As the leopard rushed toward the youth, Kermit shot it dead. It fell within six paces of him.

The hunter was not seriously hurt. Colonel Roosevelt yesterday killed a python which he found near the camp.

BUILDING IS WRECKED; TWO WOMEN KILLED

(United Press Leased Wire.)
Chicago, May 20.—Two women are expected to die from injuries they received when a terrific explosion blew the roof off a large apartment house here today. Fire broke out in the shattered building, and was beyond control when the firemen arrived. The building will be a total loss.

Owing to the confusion that followed the explosion, it is not known whether or not all the inmates of the apartment escaped the flames.

Mrs. Mary Updegraff, who occupied an apartment on the top floor, hurled her baby from the window and then leaped. The child was not injured, but the woman's back was broken, and she probably will die. She was also frightfully burned.

The apartment house, which was named the Bartlett, was situated in the South Side. It contained 12 apartments.

Six persons are injured, perhaps fatally, while three others are missing.

By heroic work the firemen prevented the spread of the flames, and confined them to the Bartlett, as the apartment was called. A search is now being made of the ruins.

Illuminating gas caused the explosion.

SAME OLD STORY OF MURDER AND SUICIDE

(United Press Leased Wire.)
Chehalis, Wash., May 20.—Raymond Gissler, aged 32, lies at the point of death today, and his sweetheart, Miss Lillie Cassad, 19, is in a critical condition, as the result of the man's attempt to murder the girl and then end his own life. Miss Cassad was shot in the back Tuesday night by Gissler, who afterward went to home and fired a bullet into his left breast. It is not believed the man will recover, but his victim is thought to have an even chance for life.

The motive for the shooting was jealousy.

HURT AND UNCARED FOR FOUR DAYS

(United Press Leased Wire.)
Alameda, Cal., May 20.—With her hands covered with lacerations and bruises, and a great gash in her head, Mrs. Charlotte Westlinder, 70 years old, today lies in a stupor at the White Cross Hospital. She is not expected to live.

Mrs. Westlinder was caretaker of a house belonging to N. Quist. Yesterday she was found by neighbors lying unconscious in a pool of blood at the foot of a staircase. It is thought she lay there for four days.

Twice within the past month supposed incendiary attempts were made to burn the house. Whether the aged woman was attacked by the firebugs, or sustained her injuries from a fall down the stairs is the problem the police are trying to solve.

JAPS IN HAWAII OPENLY DEFIANT

(United Press Leased Wire.)
Honolulu, May 20.—Japanese laborers on the Kahuhu plantation joined the strikers of the Honolulu and Oahu plantations today, and it is feared that the trouble will spread rapidly within the next few days.

The Ewa strikers have been induced to return to work, but there is a strong sentiment among them to walk out a second time.

The Kahuhu laborers struck this morning because of the management's refusal to discharge four men whom the employes thought were spies.

A crisis is expected Saturday, when the planters attempt to evict the strikers from the lodgings which they have occupied free of charge. Notices of eviction have been torn up by the Japanese, who are dangerously defiant.

ATTY. GENERAL HOLDS IN FAVOR OF GATENS

Attorney-General Crawford advises the secretary of state not to file the referendum petition in the case of Judge Gatens. He holds that the secretary's duties are entirely ministerial, and he has no authority to pass upon the legality of the emergency clause. It is now up to U'Ren, who will probably begin proceedings to compel the secretary to file the petition.
