**STEEL'S BROTHERS
 ARE HEARD FROM**

Coroner A. M. Clough has received a telegram from the brother of John Steel, the man who was killed by a falling tree Wednesday, stating that he wished the remains to rest in this city. The telegram came from Iowa, but so far the coroner has received no further directions, and cannot proceed with the work unless a compensation is received from some source. The body could be turned over to the county for burial, but Coroner Clough does not wish to put the county to this expense, when the dead man's relatives are able to attend to the matter. Further communication will be had with the deceased's brothers.

**HOW A DENVER
 MAN CURED HIS
 RHEUMATISM**

Nothing Helped Him Until He Tried Dr. Williams' Pink Pills, Then a Permanent Cure Resulted

When the general health is broken down, if conditions are favorable for the disease, rheumatism is very liable to develop. Without these conditions of low vitality and weakened resistance nature will protect the body against the disease.

In the development of rheumatism a marked feature is the thinning of the blood caused by the breaking down of the blood cells.

The best treatment for rheumatism is rest and what the doctors call a "supporting treatment," that is, to restore and retain a high level of general health. Then nature cures the disease.

With these facts in view it is easily seen how Dr. Williams' Pink Pills prevent and cure rheumatism. They tone up the blood and nerves and maintain the general health. Taken after rheumatism has developed they begin at once to rebuild the blood, to restore its broken-down cells, and that is to directly combat the disease. External applications will never cure rheumatism because the disease is in the blood, and must be fought there. In convalescent stages the pills are also useful as they lessen the after-effects, which are often more harmful in lasting injury than the disease itself.

A recently reported cure by this treatment is that of Mr. O. N. Jones, of No. 3410 West Thirty-first avenue, Denver, Colo. "I was very much run down from overwork," he says, "and rheumatism developed. I had steady pains across the back, and at times would get as stiff that I could hardly straighten out. Sometimes the pains would extend down the sciatic nerves of the limbs, then gain there would be shooting pains through other parts of my body.

"I kept losing flesh, and could not get a good night's rest. My stomach was in bad condition, and I had no desire to eat. All the medicine I took was of little account until I tried Dr. Williams' Pink Pills. I had but little faith in their doing me any good, but after taking one box I felt so much better that I sent for more. They absolutely cured me, and although my work of mining engineer takes me in the damp and wet a great deal I have never had the rheumatism since."

The fact that Dr. Williams' Pink Pills will cure rheumatism is so well established that it is difficult to understand how any sufferer can afford to neglect the remedy. These pills are absolutely safe and harmless. They make new blood, strengthen the nerves and cure rheumatism in the only way that it can be cured to stay cured.

Dr. Williams' Pink Pills are always the same and are sold in packages bearing the well-known trademark, "Dr. Williams' Pink Pills for Pale People." Pills sold in any other package, or loose, by the dozens or hundreds are not the same, whatever the clerk tells you. The genuine are sold by all druggists or will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.

A Smile is a pretty hard thing to accomplish when you're blue, bilious and out of sorts. There is a sure cure for all kinds of stomach and liver complaints—constipation and dyspepsia. Ballard's Herbine is mild, yet absolutely effective in all cases. Price 50 cents per bottle. Sold by all Dealers.
