COMMON SENSE. Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrapper and attach its correctness under oath, are daily proving in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce being desirous of having the searchlight of investigation turned upon his formulae, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption. Take the "Golden Medical Discovery" in time and it is not likely to disappoint you if only you give it a thorough and fair trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and perseverance in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.

MOTHER WILL HAVE BODY CREMATED. (Dated from Leased Wire.) Hillsboro, Or., May 21.—Mrs. Rosalia Dombrower, whose home is in a suburb of Los Angeles, is in Hillsboro today making arrangements to have the remains of her daughter, Mrs. John D. Rosclair, who, it is charged, was murdered on Saturday by her husband because she passed him skim-milk instead of cream at the breakfast table, taken to Portland for cremation. When the mother asked Rosclair why he killed her 23-year-old daughter, he is reported to have replied that she was "getting her dander up," meaning that the bride of a few months had perhaps resented his harsh words. The district attorney is making preparations to give Rosclair a speedy trial. The prisoner has so far refused the offers of two attorneys to defend him.

COSTUMES WERE LIGHT FOR STREET WEAR. (United Press Leased Wire.) San Francisco, May 21.—Clad in fleshing, with their gauzy ballet skirts maintaining an unusual angle, eight dainty Dresden dolls, members of the chorus at a local theatre, rushed from their dressing rooms into Mission street last night, and promptly went into hysterics. The cause of the unusual excitement was a small blaze discovered in a shack in the rear of the theatre. It was extinguished before smelling salts and additional clothing could be obtained for the excited stage maidens. The audience fled from the theatre in good order when the fire was discovered.

ONE OF SALEM'S BUSY FACTORIES. But very few people in Salem realize that there is a plant down on Trade street that is grinding out paint steadily, and the very best kind of paint at that, but such is the case. The Sierra Paint Co., while yet in its swaddling clothes, is steadily increasing its business and would prove an important factor in swelling the dinner bucket brigade if it had more capital. It started in business in a small way but, while the products are in demand the nature of the business requires that in order to increase its small stocks must be sent out, and the retailer carried until communities get acquainted with the paints. This, however, will be overcome in time. The plant when running to capacity will use about a carload and a half of linseed oil a month. It manufactures its own shellac and the natural material from its mines, the sienna itself, is of the very best quality. There are some thirty odd natural colors of the mineral so far uncovered at the mine and with a little touch of chrome green, yellow or red, the slight variation in the natural colors can be corrected. There is room in the northwest for such a plant and there is no reason why, in the not very remote future, the capacity of the Salem plant should not be increased to ten times its present capacity.

BACK GIVES OUT. Plenty of Salem Readers Have This Experience. You tax the kidneys—overwork them—You tax the kidneys—overwork them. The back gives out—it aches and pains. Urinary troubles, set in. Don't wait longer—take Doan's Kidney Pills. Salem people tell you how they act. W. H. Wood, carpenter, 250 Cottage street, Salem, Or., says: "A good many years ago I was kicked by a mule. At another time while digging a well, it caved in on me. Since then I have had more or less trouble from my kidneys. Any chance of weather caused my back to ache, and when I worked hard I became so lame that I could hardly straighten after stooping. I finally procured Doan's Kidney Pills at Stone's drug store, and although I have continued to work hard, and have been exposed to bad weather, not an ache or other symptom of my former trouble remains. This clearly proves that Doan's Kidney Pills live up to the claim made for them. I also know of other people who have derived great benefit from their use. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other."

I cannot recommend it too highly." For sale by all good druggists.

For ed Into Exile. Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds. It dispels Hoarseness and Sore Throat, Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup, Whooping Cough. 50c and \$1.00, trial bottle free, guaranteed by J. C. Perry.
