Making Good.

There is no way of making lasting friends like "Making Good," and Doctor Pierce's medicine well exemplify this, and their friends, after more than two decades of popularity, are numbered by the hundreds of thousands. They have "made good" and they have not made drunkards.

A good, honest, square-deal medicine of known composition is Dr. Pierce's Golden Medical Discovery. It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is so good as Dr. Pierce's Golden Medical Discovery. It's an honest, square-deal medicine with all its ingredients printed on bottle-wrapper—no secret, no hocus-pocus humbug, therefore don't accept a substitute that the dealer may possibly make a little bigger profit. Insist on your right to have what you call for.

Don't buy Dr. Pierce's Favorite Prescription expecting it to prove a "cure-all." It is only advised for woman's special ailments. It makes weak women strong and sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago. As an invigorating tonic and strengthening nerve it is unequalled. It won't satisfy those who want "booze," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the original Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor. Easy to take as candy—one to three a dose. Much undated but never equalled.

ALL BUBBLE WAGONS LOOKED ALIKE

A peculiar happening took place in front of the Johnson clothing store on Commercial street yesterday. There were two automobiles standing in the street, one in front of the clothing store and one across the street in front of the Elite Cafe, when a man came from somewhere near the Putnam drug store, walked across the street and after starting up the buzz wagon got in and drove off. Shortly after another man came in the drug store and asked if any one had seen his machine, he evidently being the real owner of the machine on the east side of the street, but upon being informed that another man had left in the machine across the street he went out and tried to operate the machine in front of the drug store. He could not make this rig go, however, and went away. Shortly afterwards, the man who took possession of the first car came back, cranked up the car left in front of the drug store, got in and went humming around the corner. This is a case of absent mindedness, mistaken identity, or else a serious case of love, in which a fellow's thoughts are apt to be wool-gathering any old place.

He was nearly as absent minded as the old bachelor who starting to cook his supper filled the teakettle and placed it on a chair while he sat down on the stove. He never discovered his mistake until he began to sing.

RIVER STEAMERS ARE ALL VERY BUSY

M. P. Baldwin, agent of the Oregon City Transportation Company in this city, reports the largest business is being done by the steamers he has ever seen at this time of the year. Every day the steamers tie up at the local wharf loaded to the guards with mixed freight of all kinds, being mostly for the Salem grocers. Hardware stores are receiving numerous shipments by boat from Portland and the shipments of cement and other material for building walks are also very large now. Mr. Baldwin states the steamers passenger business has been improving right along and that the steamers often carry families from the east up and down the beautiful Willamette who make the trips principally to see the outlying land on each side of the stream.

THE FAKE WRESTLERS NOT ASKED FOR MONEY

The promoters of the recent wrestling match between Dan Sullivan and Eddie O'Connell do not seem disposed to whack up the receipts with the phoney wrestlers from below, and so far nothing has been said to them in regard to the matter. The promoters of the match will not listen to a division of the money until either Sullivan or O'Connell makes a statement showing that the match was absolutely on the square, and if they are able to do this, the receipts will be divided according to the contract.

Six boarders for the pen were sent from Crook county at the last term of court.

Biliousness and Constipation.

force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally. Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all good druggists.

TESTED AND PROVEN.

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Salem readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

A. J. Wood, 250 Cottage street, Salem, Ore., says: "Kidney and bladder trouble became so bad in my case about two months ago that I was obliged to do something to ease my suffering. The trouble bothered me most in the morning for two or three hours after getting up, the frequent passages of the kidney secretions being the worst difficulty. I knew of people who had received the best of results from Doan's Kidney Pills, and I finally procured a box at Dr. Stone's drug store. Before I had used one box I was completely free from the trouble and my general health was better. I can hardly express the good opinion I have of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

For ed Into Exile.

Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds. It dispels Hoarseness and Sore Throat, Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup, Whooping Cough. 50c and \$1.00, trial bottle free, guaranteed by J. C. Perry.

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all good druggists.
