

By MISS MOLLIE RUNCORN

THE piano recital given at the First Methodist church last night by the pupils of Miss Beatrice Shelton was pronounced unusually excellent by everyone present. The program was of more than ordinary interest, being entirely composed of Nevin's compositions. Assisting on the program were Mrs. Francesco Seley, Mrs. Mac Hofer and Miss Ermine Bushnell as soloists, and Mrs. W. Carlton Smith, Mrs. Robert Savage, Mrs. Charles Walters, Mrs. W. P. Babcock and Mrs. Francesco Seley in a quintet. All of these numbers were enthusiastically received and recalls demanded of each, the singing of the quintet being especially pleasing. Mr. Chester Catlow was a sympathetic accompanist for the vocal numbers. Although the selections were all from one composer, they were varied, and each generously applauded. The players were all younger pupils of Miss Shelton, but no uncertainty or hesitation was displayed, each number being executed with a sureness and confidence which comes only through thorough training and consistent study. The program follows:

- (a) "Arlachino" Op. 6.....Nevin
(b) "Minuet" Op. 3.....Nevin

The class was composed mostly of beginners, some having had only seven months' study, but their work would be creditable to much further advanced students, their technique being especially good.
