WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women, I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me. I grew stronger, and within three months I was a perfectly well woman."

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOORE, 2115 Second St., North, Minneapolis, Minn.

WHERE WORLD'S WORKS OF ART WILL BE HOUSED AT A-Y-P. EXPOSITION, SEATTLE.

In this building will be exhibited many priceless paintings. The display will represent the art galleries of the world, for many of these pictures will be the work of the old masters, including rare art exhibits from the Corcoran in Washington, the Art Museum in New York, the Chicago Art Institute and from a large number of private galleries of wealthy men in the United States and Europe, who have for years made the collection of famous old paintings their hobby. Paris and London have made large loans.

At the Alaska-Yukon Pacific Exposition the selection of pictures will be limited to the works of men who have been recognized in the great art competitions in all parts of the world. Many American artists will be represented in the display in the Fine Arts Palace at the Exposition and arrangements have already been made for the shipping of these valuable paintings from art institutes of this country to Seattle.

G. L. Berg, art director of the Exposition, has visited all of the leading galleries of the United States, collecting the pictures suitable for display at Seattle, and writes that the pictures already loaned will constitute one of the greatest art displays assembled for international exhibition.

The Fine Arts Building is a fireproof structure and was one of the first buildings completed on the Exposition grounds. It cost more than \$200,000 to erect the building.

RACING AUTO DOES SOME EXTRA STUNTS

[United Press Leased Wire.] Los Angeles, May 31.—Shortly after the start of the big six-hour automobile race for the benefit of the Orphans' home at Ascot park today, one car was wrecked, two men had a miraculous escape from death and one of them, L. G. Pattee, driver of the Cadillac entry, sustained serious injuries. The accident happened at 10:19 o'clock after the race had been in progress only 14 minutes. The Cadillac was making about 50 miles an hour and had just passed the grandstand.

When the car reached the south curve, just south of the grandstand, it seemed to be in good condition and almost made the curve, when suddenly it swerved and shot through the outside fence and rolled down a 25-foot embankment.

At the time of the accident there were fully 5000 people in the grandstand.
