

PACIFIC MAIL WILL WITHDRAW STEAM SHIPS

[United Press Leased Wire] San Francisco, June 2.—Panama service of the Pacific Mail Steamship Company will be abandoned August 3, according to information received from Washington and confirmed here today. Notice has been served upon the war department, and the government is making efforts to secure a line of vessels to take over the New York-San Francisco business now handled by the line in connection with the Panama railway and steamship line.

Mall has been putting but 15,000 tons of freight through the port, he could guarantee 75,000, and demands that the charges be reduced accordingly. The eight steamers of the Pacific Mail now making the Panama run will probably be used in the South and Central American coffee trade. These vessels are the Pennsylvania, recently purchased to replace the wrecked Indiana; the San Jose, San Juan, Newport, Acapulco, City of Sidney, City of Para and Peru.

Called to Stayton—J. C. Sill, manager of the Cottage undertaking parlors, was called to Stayton yesterday afternoon to conduct a funeral.

ESTACADA HAS LOTS OF LOCAL POLITICS

[United Press Leased Wire] Oregon City, Or., June 2.—Although they were voted out of office at a recent recall election, Mayor Heylman and Councilmen J. F. Lovelace, A. Havens, C. F. Howe, William Dale and B. O. Boswell, of Estacada, have refused so far to either step out or turn over the records to Recorder A. N. Johnson. At the instance of Johnson the circuit court has cited the recalled city officials to appear in court on June 5 and show cause why they should not be punished for contempt of court in refusing to obey the order of the court to give the recorder the records. Johnson was recently ousted by Mayor Heylman, but Judge Campbell, after reviewing the case, ruled against the city executive, and the recorder informs the court Heylman and the council have held his books. Mayor-elect Reed and the five councilmen, who were elected at the recall election, have not been able so far to take their seats. They have carried the trouble into the courts for a decision. The city affairs of Estacada have been in a muddled state for several weeks, owing to factional fights. One faction was led by Reed and the other by Heylman.

OBSERVATION CAR FOR CHERRY FAIR

J. E. Zinn, superintendent of transportation of the Salem street car service, has decided to put on a fine observation car for sightseers during the cherry fair. It will be a beautifully decorated open car, and will make swift runs to the principal points of interest during the fair, running each day from 10 o'clock, making hourly trips from the cherry pavilion. It will be an up-to-date feature of the fair, and will help show off the city, and Superintendent Zinn deserves credit for his display of enterprise.
