WHO IS RESPONSIBLE FOR THE DIRECT PRIMARY LAW IN OREGON?

It is a matter of interest to fix the responsibility for the Oregon Direct Primary law.

Who did most to make that measure, with its iniquitous machine busting statement No. One, a possibility?

One man in Oregon politics was in a pivotal position and had a newspaper reaching the people of the state in such a way that he could make or defeat that law.

That was the editor of the Oregonian, one Mr. H. W. Scott. If he had exposed the law and condemned it when it was up for adoption it might have been killed.

Where was this great king pin of the political machine, the pooh-bah molder of public opinion when this vicious measure to destroy the Republican party was up for adoption?

Like the god of the Philistines, perhaps he was asleep or away from home, or indisposed.

Alas, it is to be regretted that the official records at the state house at Salem show that he was painfully in evidence, plotting for destruction of the Republican party.

Following is a fac-simile of what appeared on the title page of every petition for the initiative of the much-hated Oregon Direct Primary law:

INITIATIVE PETITION FOR A BILL PROPOSING A DIRECT PRIMARY NOMINATIONS LAW

Prepared and Circulated by the Direct Primary Nominations League of Oregon

Officers and Executive Committee

- A. L. Mills, of Portland, President.
- G. M. Orton, of Portland, Vice President.
- F. McKeeher, of Portland, Treasurer.
- W. S. U'Ren of Oregon City, Secretary.
- H. W. Scott, Jonathan Bourne, Jr., W. M. Hilleary
- W. M. Ladd, L. T. Harris, G. B. Thomas
- Henry E. McGinn, H. G. Kundret, John H. Mitchell
- John C. Young, C. E. Lockwood, C. E. S. Wood
- Thomas G. Green, T. T. Geer, Frank Williams
- J. F. Welch, A. R. Lawton, C. H. Gram

Directions to Circulators and Signers of This Petition, Etc.

Great Scott! Is it possible that Editor H. W. Scott was chairman of the executive committee that perpetrated this outrage on the political machine of Oregon?

We cannot believe the evidence of our senses, and some cruel conjurer must have been doing his deadly work.

The undoing of the Republican party, the election to the senate of Bourne and Chamberlain must be laid at the doors of the one mighty power that might have saved Oregon machine Republicanism from annihilation.

And he was neither asleep nor away from home. He was chairman of the executive committee.

His name is one of the first to be found on the petitions. He would not even allow the opponents of the Direct Primary law to get into print.

Judge Waldo, who prepared a powerful argument against the proposed Direct Primary law, was excluded from the Oregonian.

So Scott not only helped get the Direct Primary law with Statement No. One before the people but refused to allow it to be discussed.

It is not known that Mr. Scott was the author of Statement No. One, but it can fairly be claimed that the law could never have been enacted but for his acting as sponsor for the measure.

This much for political truth and history.

DEVELOPMENT CONGRESS AT BURNS.

Salem and the Willamette valley and all western Oregon are interested in the opening up of the great undeveloped interior. Some of the best orators and ablest lawyers in the state are going to Burns July 1-2.

Delegations from the eastern Oregon and southern Idaho cities will be there.

All central Oregon will be at the Burns development roundup. All will boost for the Coos Bay, Central Oregon and Boise railroad.

Some of the biggest capitalists at Portland are interested and will be at the Burns congress.

The central Oregon commercial clubs from Klamath county

to Lake County, and from Crook county to Ontario, will be represented.

Study the interesting program of the Oregon-Idaho Development Congress to be held at Burns.

This will be the ninth session of this development organization held since its organization at Marshfield in August, 1908. The entertainment, musical, and local features of the program will be provided by the Burns Commercial Club.

The sessions of the congress will be held Thursday and Friday, and on Saturday (July 3) there will be an old-fashioned Fourth of July celebration which all delegates are invited to attend.

Governor Benson of Oregon and Governor Brady of Idaho have been officially invited and will attend provided they have no conflicting dates of an official character.

Prominent speakers who will be present and deliver addresses are as follows:

Judge Stephen A. Lowell of Pendleton, on Land Monopoly. Col. C. E. S. Wood of Portland, on the need of self-help in railroad construction.

Col. Edgar M. Heigho of Weiser, Idaho, on the Idaho district railroad law.

Addison Bennett of Irrigon will tell of the importance of Coos Bay harbor to central Oregon.

Attorney General Crawford of Roseburg will discuss the subject of state aid and encouragement to railroad building.

President Homan of Willamette university will discuss educational development of Oregon.

Mayor Chas. A. Johns will speak for Baker county irrigation and mining interests that require development.

Col. L. K. Page of Salem will make the trip to Burns and take a place on the program to discuss investments in central Oregon lands.

Other gentlemen have promised to attend and make speeches.

Jas. J. Hill has just announced at Portland that he has no intention of building railroads in Oregon.

Harriman has gone to spend the summer in Europe. This puts it up to the people of Oregon whether they want to do anything to help themselves.

The people of Idaho through the legislature have enacted a district railroad law.

Hill and Harriman, having settled all their differences, have both withdrawn from Oregon.

The railroad question will be the great living development issue at the Burns congress. Prepare to attend.

A LITTLE GRAFTER HITS THE CHAIN GANG

[United Press Leased Wire.] Seattle, Wash., June 5.—A. K. Townsend, who represents himself as an employer of young women, at lucrative salaries, to work as stenographers, has himself been provided with employment, and today he began work with the chain gang, where he will be kept busy during the next 63 days. Townsend was yesterday convicted on a vagrancy charge in Judge Gordon's police court. Townsend made no defense of the charge against him. Several young women testified that they had paid him various sums for the promised positions. Mary Crampton stating that she had given Townsend \$50 for a place as a stenographer, which she did not get. Townsend represented himself as the agent for a California mining company, but the affairs of that concern were in no way connected with his employment schemes.

PHILADELPHIA CARS RUN WITH OLD CREWS

Philadelphia, Pa., June 5.—Peace is restored in Philadelphia today, and cars on all lines are running with their old crews in charge. The strike of the employes of the Philadelphia Rapid Transit Company was settled last night after a conference, at which all differences were arbitrated. The men accepted a wage scale of 22 cents an hour, for a 10-hour day. The strike-breakers were immediately
