

NELSON TO START HOG RANCH

[United Press Leased Wire.]
Livermore, Cal., June 7.—Battling Nelson, hog magnate! The actor-author-speculator-fighter arrive in Livermore today and made preparations to plunge heavily on a new venture. He has completed arrangements to convert his property here into a "healthy hog" home, and A. H. Pope of San Francisco has been engaged to manage the enterprise.

The hog ranch scheme has been under the battler's consideration for some time and he has finally "doped it out" that he can make a lot of money in the venture.

"I will convert my alfalfa patch into a hog ranch," he said today, "and I believe it will be a go. I have engaged Mr. Pope, who is an experienced rancher, to take charge of the place, and figure that there will be a lot of money in it."

Nelson expects to return to San Francisco tonight and will leave for Oklahoma City tomorrow morning, going by way of Los Angeles and New Mexico. He will stop off at all important points and place agencies for his book. He will arrive in Oklahoma ten days before his battle with Jack Clifford.

Bob Russell and Jack Grace, the globe-trotting trainer, will handle the moving pictures of the Nelson-Hyland fight.

KAISER WANTS HIS LETTERS RETURNED

[United Press Leased Wire.]
Constantinople, June 7.—Complying with the personal request of German Ambassador von Bieherstein, Grand Vizier Hilmi Pasha today asked the Young Turks' investigating committee to turn over to him as soon as possible the letters written by Kaiser Wilhelm to Abdul Hamid, when he was on the throne of the Ottoman empire.

The German ambassador demanded that Hilmi give him the letters. This the grand vizier declared was impossible to do, as they had not yet been placed in possession of the government, and their contents were not even known to him, officially. He said, however, that they would be returned as soon as they were released by the committee.

The letters, which were found in Yildiz Kiosk, when the palace was captured by the Young Turks last April, are reported to prove the support of Abdul's despotism.

COUGHLIN DRANK SOME BAD BOOZE

San Francisco, June 7.—Seriously injuring his sister-in-law, Mrs. Della Foley, by a blow with a stove lid, Dave Coughlin of 2828 Bryant street ran amuck early today at 907 San Jose avenue brandishing an axe and a huge knife, driving half the occupants of the house into the street. Mrs. Foley is at the Central emergency hospital and Coughlin is under arrest pending the outcome of her injuries.

Coughlin, who had been drinking, entered the home of his sister-in-law at 2 o'clock this morning. Mrs. Foley upbraided him for his condition and the man became infuriated. Seizing an axe he hurled it at the head of Mrs. Kate Cooper, a visitor at the Foley home. Then he struck Mrs. Foley over the head with a stove lid and clutching a knife, drove all of the occupants out of the house. Coughlin is a plasterer 28 years old.

SPRECKELS WILL NOT MARRY ADELE CASE

New York, June 7.—Claus Spreckels, second son of John D. Spreckels, who is with his father at the Hotel Walcott, today denied that was engaged to marry Miss Adele Case, of Portland, Ore.

"The report that Miss Case and myself are engaged is untrue," said young Spreckels. "I do not say that she is not the kind of a girl that I would marry, if I thought of marrying, but I am not thinking of taking such a step yet. I have no money to support a wife."

Spreckels met the girl in a Paris studio, where they were both studying music.

Miss Case is at the Knickerbocker Hotel, where she will remain until she goes to Portland to visit her mother. She will probably sing on the Pacific coast, after she leaves New York.

John Spreckels met Miss Case for the first time this afternoon. He declared that he would not interfere with his son's marriage, if the young man wanted to wed.

Spokane, Wash., June 7.—"The Republican party must clean house in this state at once, or the people will clean house for the party," declared Governor Hay today, in announcing that every department on which the slightest suspicion has been cast would be thoroughly investigated as the result of the special session of the legislature, to be called June 23.
