A Bold Step.
 To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. E. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and open to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them **Medicines of Known Composition.**
 By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the logical scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. E. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents, and that they are made from native medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the use of not a few of our most valuable native medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, prolapsus, retroversion and retention, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

MAGAZINE IN DANGER FROM FOREST FIRES

Seattle, Wash., June 8.—Twenty-five additional firemen have been assigned to duty at the exposition fire station and extra engines and hose wagons are being installed today. This action was taken because of the narrow escape yesterday of a dangerous conflagration on the grounds when a blaze in the woods outside the enclosure threatened to set fire to the magazine building, where two tons of fireworks are stored. The blaze, which it is believed, was started by a cigarette thrown into the debris left on the soldiers' camping ground, spread rapidly over a large area and was checked by firemen when it had burned to within thirty feet of the building containing the explosives.
 Had the flames reached the magazine, the resulting explosion might have caused death and injury to many persons, as well as starting a serious fire on the grounds of the exposition.

SOAKED WOODEN LEG FOR BOOZE MONEY

Vancouver, B. C., June 8.—Because Richard Williams, of Oakland, Cal., pawned his wooden leg for a flask of whiskey, he has been ordered deported. Richard, who has every appearance of the itinerant cripple who works at it, reached Vancouver ten days ago. He immediately got drunk. At first he walked without difficulty, even under the handicap of numerous drinks and the police did not molest him. On Sunday, however, Williams was found minus the artificial limb, trying to travel with the aid of a cane. So he was bundled into the wagon and taken to jail.
 Today he was unable to explain what had become of his wooden leg. He denied pawing it, but his memory was a blank. Two detectives have been sent out to round up the missing limb and when they have restored it to its owner Williams will be sent back to the United States.

SPECIAL TO CARRY ELKS TO LOS ANGELES

Los Angeles is to have a grand reunion and grand lodge session of the Elks, beginning July 11 and ending July 17. It promises to be one of the greatest affairs of the kind ever held on the coast. A special train is to be made up at Baker City which will carry the Oregon visitors, starting from that point July 7. The train will consist of four standard sleepers, a chair car, baggage car and diner. Another car will be picked up at La Grande, one at Pendleton, and two at The Dalles. It is probable that an additional car will be added here, as already several members of the order have indicated they intended joining the excursion. The cities south of us will also add their contingent, and it looks now as though Oregon would be represented by a very large train load of the antlered herd. Arrangements for taking care of the big crowd are being made by Los Angeles Elks, and a fund of \$100,000 will be raised for this purpose. The city will have its holiday clothes on, and make the event one that every visitor will remember and mark with a white stone. It is probable also that the crowd will be so large that the train will run in two sections, one being made up in Portland, for from the way applications are being sent in the one special will be unable to handle the crowd. The Southern Pacific has plenty of cars and there will be room for everybody, even if it takes a half dozen specials.

Children Cry FOR FLETCHER'S CASTORIA

Deafness Cannot be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is cured by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Rich Men's Gifts Are Poor
 Resides this: "I want to go on record as saying that I regard Electric Bitters as one of the greatest gifts that God has made to woman," writes Mrs. O. Rhinevalut, of Vestal, Center, N. Y. "I can never forget what it has done for me." This glorious medicine gives a woman buoyant spirits, vigor of body and jubilant health. It quickly cures Nervousness, Sleeplessness, Melancholy, Headache, Backache, Fainting and Dizzy Spells; soon builds up the weak, ailing and sickly. Try them. 50c at J. C. Perry.

"Tempus fugit," which being liberally translated means, "It is fly time."

Poison Oak Poisoning

Ballard's Snow Liniment cures it. Mr. O. H. P. Cornelius, Turner, Or., writes—My wife has discovered that Snow Liniment cures "Poison Oak Poisoning," a very painful trouble. She not only cured a case of it on herself, but on two of her friends who were poisoned by this same ivy. Price 25c, 50c and \$1.00. Sold by all druggists.

If You Are Worth \$50,000 Don't Read This.

This will not interest you if you are worth fifty thousand dollars, but if you are a man of moderate means and cannot afford to employ a physician when you have an attack of diarrhoea, you will be pleased to know that one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy will cure it. This remedy has been in use for many years and is thoroughly reliable. Price 25 cents. For sale by all good druggists.

Jim Hill can't give Oregon a railroad, but he did give it some good advice when he said: "Go after it and get it."

You Never Can Tell
 just exactly the cause of your rheumatism, but you know you have it. Do you know that Ballard's Snow Liniment will cure it? It relieves the pain—reduces the swelling and limbers the joints and muscles so that you will be as active and well as you ever were. Price 25c, 50c and \$1.00 Sold by all druggists.

Jim Hill sympathizes with Oregon in her need of railroads, but sympathy will not even get a right-of-way.

The Big Head
 is of two kinds—conceit and the big head that comes from a sick headache. Does your head ever feel like a gourd and your brain feel loose and sore? You can cure it in no time by acting on your liver with Ballard's Herbine. Isn't it worth trying for the absolute and certain relief you'll get? Sold by all druggists.

Chamberlain's Cough Remedy the Best on the Market.

"I have used Chamberlain's Cough Remedy and find it to be the best on the market," says E. W. Tardy, editor of the Sentinel, Gainsboro, Tenn. "Our baby had several colds the past winter and Chamberlain's Cough Remedy always gave it relief at once and cured it in a short time. I always recommend it when opportunity presents itself." For sale by all good druggists.

Of Interest to Farmers and Mechanics.

Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by all good druggists.
