A Natural Strength Giver

Ordinary tonics that merely supply food material and give artificial strength by stimulation are never lasting in their effects because they do not remove the cause of the ill health.

A "run down" condition is generally due to the failure of the digestive organs to properly digest the food.

DR. D. JAYNE'S TONIC-VERMIFUGE

tones up the stomach and other digestive organs, and restores their normal, healthy condition. Then the digestive organs supply the body with its full share of nourishment, and in this way build up permanent health and strength.

Sold by all druggists 2 sizes, 50c and 35c.

Dr. D. Jayne's Expectorant is an invaluable medicine for Coughs, Colds, Bronchitis, Croup, Whooping Cough, Pleurisy, etc.

Now Is the Time—

To pay your water bills; also irrigation bill, and get the 10 per cent discount. 6-8-3t.

Moving Pictures Only—

Owing to the extremely warm weather Manager Bly of the vaudeville theatre in this city, has decided to discontinue shows in this class until the cooler weather. In place of the vaudeville he will put on the ever-interesting motion pictures and make it a specialty for the next few months to furnish the Salem public with the latest and most interesting collection of moving pictures. The theater man has improved the vaudeville show house greatly and every-thing will be done during the warm weather to make his patrons comfortable.

Lightning Jokers Won—

It is very evident that the Portland Railway, Light and Power Company ball team lost their last night when they went up against the Electrical Workers, as the aggregation of trouble chasers sailed away with a score of 7 to 0, not even allowing the street car heroes to have any base running exercise. It may have been due to the large crowd and a serious case of diamond fright that caused the railway workers to get bumped, but after taking a complete inventory of the number of hits made by them the reason dwindled down to just plain punk batting. The battery for the Electrical Workers was Leets and Ward, and for the street car men Rust and Clark. Umpire Waldo Miller just ripped the back off the rule book last night and threw the pages away, for rules and regulations in baseball are not much in account anyway according to the Twilight league's way of playing, and the monarch umps handed out decisions with all the exact promptness Judge Galloway does in the equity court. Look at the fun you get though, "Swede."

To Have Federal Building.

Washington, June 10.—The treasury department today awarded the contract for the Baker City, Or., federal building to the Campbell Building Company of Utah, which bid \$57,500.

Improvement in Electric Car Service in Portland—

Patrons of the Oregon Electric line between Salem and Portland will be interested in knowing that, instead of having to walk to Third and Jefferson streets to take Portland city street cars, they can now take a car at the corner of Front and Madison streets, one block north of the Electric depot, and be transferred to any of the Portland city lines.
