Sale Opens Sat., June 12

Don't be misled by the angry mutterings of rival merchants, who will seek to stem the tide of eager shoppers by offering you a few baits. We are going to sell this complete stock, with all the new spring goods, at less than the other fellow can buy them.

BE ON HAND AT THE OPENING

Don't confound this with the so-called special or clearance sale where only a few items of old merchandise are offered at bargain prices, as it is nothing of the kind, but a genuine slaughter of the entire stock. Everything will be marked in plain figures and at such ridiculously low prices as to cause wonder and comment for many moons to come.
