A POOR FAMILY ARE SEPARATED FROM CHILDREN

The following is called "a sad case" by the Brownsville Times. It is an outrage to separate children from their parents just because they are poor:

Sheriff Smith came to Brownsville the latter part of last week and took charge of children of Mr. and Mrs. Sylvester Stephens for the purpose of sending them to the care of the Boys' and Girls' Aid Society Home in Portland. The parents, however, objected, and the whole family were taken to Albany where more strenuous objections were made by the parents against being parted from their children, especially by the mother, who gave the officers about all they could

handle before the children were finally separated from her and taken to Portland. Mr. and Mrs. Stephens returned to Brownsville, but were not satisfied, the mother being determined to again get possession of her children. With this intention in view the parents went to Albany Tuesday and interviewed County Judge Duncan, but getting no satisfaction they continued their journey to Portland intending to get possession of the children if possible. In this they will no doubt fail, for under the conditions they have not been and cannot furnish a fit home for them. The father is a consumptive and the family is a been living in tents in this city with no sustenance except that furnished by the county and the citizens of Brownsville.

MRS. JEAN THURNER IS A SECOND NANCE OLDEN

Berkeley, Cal., June 14.—Following the arrest of pretty 20-year-old Mrs. Jean Thurner, who confessed to a series of burglaries that approach the operations of "Nance Olden," the young woman and her husband, to whom she has been married only ten months, are the objects of close surveillance by the officers. Thurner is frenzied by his wife's arrest, and the officers fear that both young people may end their lives.

It developed today that the girl was arrested and charged with burglary several months ago, but the case against her was not prosecuted. The young husband was heartbroken and pleaded with his wife to mend her ways. Together they are said to have struggled to overcome her mania for appropriating other persons' property. Finally, Mrs. Thurner is said to have persuaded her husband to enter an agreement with her by which each was to commit suicide should she again be arrested. In view of Thurner's half crazed condition, the police fear she will

try out his end of the awful pact. Mrs. Thurner's record covers a period of six years. She has operated, they say, under the names of Jean Gordon, Bezie Russell, and Teale Gorman, and formerly was known in San Francisco as the "cowboy girl."

Her father, who is dead, is said to have been a well known jurist. Los Angeles.

CITY COUNCIL MEETS THIS MONDAY EVENING

The Salem city council meets in regular session this evening. Besides the ordinance permitting liquor to be served with meals at hotels and restaurants, there will be several sewer and street improvement matters up for disposition.

Chairman Stols of the street committee expects to have final advice as to the improvement of 12th street from Court to the Southern Pacific depot.

FRISCO BUSINESS MEN ON WAY TO SEATTLE

Twelve coaches filled with prominent business men from San Francisco passed through this city at 4 o'clock this morning en route for the Seattle Exposition and other points of interest. This is the largest number of business men ever making a special excursion through this city and it is probable they will stop off here on their way back to San Francisco and look over the capital of Oregon.

If congress will submit an amendment to the constitution providing for taxing incomes, it will carry by a tremendous majority, as the great majority is not troubled with surplus incomes.

Men Past Fifty in Danger.
Men past middle life have found comfort and relief in Foley's Kidney Remedy, especially for enlarged prostate gland, which is very common among elderly men. L. E. Morris, Dexter, Ky., writes: "Up to a year ago my father suffered from kidney and bladder trouble and several physicians pronounced it enlargement of the prostate gland, and advised an operation. On account of his age we were afraid he could not stand it, and I recommended Foley's Kidney Remedy, and the first bottle relieved him, and after taking the second bottle he was no longer troubled with this complaint."
