BOOSE
AND GAS

[United Press Leased Wire.]

San Francisco, June 24.—Success-
ful boarding of lions in their dens
for many years has not equipped J.
A. McAdoo, an animal trainer, for
the battle with the seductive, bub-bling highball and the dangers of
modern conveniences. Today Mc-
Adoo occupies a cot at the Central
emergency hospital, recovering from
semi-apoplexy.After having smiled several times
into a tall glass wherein the ice tinkled
merrily, McAdoo retired to his
chamber last night and sought his
couch. Inattention to details caused
him to leave the gas jet partially
open and when he was rescued this
morning he was nearly dead.Those auto races having obtained
an immense amount of free adver-
tising, which is all the race was run
for, now purpose getting more by
getting into a row over the delivery
of the prize.BANKS
HAVE
MONEY

[United Press Leased Wire.]

Chicago, June 24.—By an agree-
ment that probably will be ratified
today by the directors of the two in-
stitutions, the Continental National
bank and the American Trust and
Savings bank are to be consolidated
into the second largest financial in-
stitution in the city.The combined capital and surplus
of the new organization is \$16,500,-
000, with deposits of \$115,000,000.
Each bank will retain its name and
its corporate individuality. The Con-
tinentals will handle the commercial
and general banking part of the
business while the American will take
over the bond and trust activities.SCRAP

Oakland, Cal., June 24.—That Jack
London and his wife have almost
daily physical encounters is the start-
ling information vouchsafed by Mrs.
Eliza Shepherd of this city. Mrs.
Shepherd is an intimate friend of
the writer and his wife, and yester-
day she received a letter from them,
mailed at a small Chilean port.According to Mrs. Shepherd the
family scraps of the Londons have
occurred on the deck of a small coal
steamer, whose captain invited them
to make a trip from Sydney to Val-
paraiso. London and his athletic
wife don six-ounce gloves nearly ev-
ery morning and give as fancy an
exhibition of the Polydeucan art as
any of the crew have ever witnessed.London's health is much improved
according to the letter, and he ex-
pects to return to this city early in
July in the best of shape. Before
returning he and his wife will make
a side trip to the city of Mexico.Synopsis of the Annual Statement of

SOUTHERN
PACIFICWANT BIG PRICE FOR
RIGHT OF WAY
LANDS

[United Press Leased Wire.]

Oroville, Cal., June 24.—Much
delay in the completion of the South-
ern Pacific's right of way between
this city and Nelson is being caused
by several mining interests that de-
mand enormously large prices for the
strips of land required by the com-
pany.The Nevada Gold Dredging com-
pany, which operates a big dredger
on the proposed right of way, has
demanded \$200,000 for 20 acres of
land. The Nevada company asserts
that it would be impossible to move
its dredger if the road were built.J. H. Leggett has filed answer to
the Southern Pacific's condemnation
suit, asking \$54,180 for a 6-acre
strip.Foley's Honey and Tar is espe-
cially recommended for chronic throat
and lung troubles and many sufferers
from bronchitis, asthma and con-
sumption have found comfort and
relief, by using Foley's Honey and
Tar. J. C. Perry.The New York Sun is mean-
ing enough to say that if Theodore
Roosevelt doesn't look out he is liable
to kill the missing link.Notice of Intention to Improve a

Roots, Herbs and Barks.

You can no doubt recall the col-
lection of roots, herbs and barks
your grandmother made every fall
for the family medicine chest.It is interesting to note that the
most successful remedy for female
ills had its origin more than 30 years
ago in one of these home medicine
chests, and Lydia E. Pinkham's Vege-
table Compound is made today in
immense quantities from those same
roots and herbs with extreme accu-
racy, care and cleanliness.Notice of Intention to Improve a
Portion of Pine Street.Notice is hereby given that the
Common Council of the city of Sa-
lem, Oregon, deems it expedient to
improve, and proposes to improve, at
the expense of the abutting and ad-
jacent property, Pine street in the
city of Salem, Oregon, from the east
line of Front street to the west line
of Fourth street. The improvement
shall be made by grading andgraveling, and such graveling
shall not be less than six
inches thick after rolling. The
said improvement shall be made ac-
cording to the plans and specifica-
tions adopted by the common coun-
cil on the 21st day of June, 1909, and
now on file in the office of the city
recorder, which plans and specifica-
tions show the details of the work,
and an estimate of the cost, and the
same are hereby referred to and made
a part of this notice.Date of the first publication of this
