### Of Interest to Farmers and Mechanics.

Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This Liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by all good druggists.

### What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a brief efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful, habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherrypark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities among a host of others, extol the various roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensary; Prof. J. M. Seaboard, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

## X-RAYS AND SMILES

The tariff on wood pulp is so arranged that should Canada put an export duty on logs or pulp the tariff on printing paper would be doubled, the American manufacturer would raise the price, and every newspaper in the United States would be "fined" for Canada's act.

Maine boasts of having a pig that barks like a dog, retrieves, and shows its good will by wagging its tail. Lots of people claim to have seen it, but none of them mentions the "blind pig" or the name of the new drink.

A Russian tramp with the title of "baron" and name Osten-Saken, is bumming his way around the world and claims he has seven years to do it in. If that isn't long enough he can have more, so far as Salem is concerned.

Now the savants have discovered that fish are subject to cancer. The salmon has been subject to "can, sir," for a long time, but you can't see a long eared discoverer just because his tale is in his head.

Senator Bailey says "A hog is a pig grown up." Now you know what is meant when the United States steel corporation is spoken of.

Salem is not the "hotel" city of Oregon. Most of those who take meals and have rooms here are not transients. They stay awhile.

There is a great civic improvement movement on at Oregon City. Politically that city is about perfect.

Salem will send a thousand people to Eugene for the celebration a week from Monday. And a dry town too.

Celebration, carnival, and Cherry Fair—three in one. It will be the biggest time in the history of Salem.

The Journal will publish a Cherry Fair special for the three days during the Fair—printed in cherry red.

The city council is an unit for four things—street improvements, sewers, parks and mountain water.

There are those who resent any opposition to graft—the thing they live by or hope to have a chance at.

Harriman seems to be more anxious to build up the Deschutes than the government is to let him.

The Eugene cannery will start July 1. At Salem the cannery has been running for two weeks.

If you want a sane celebration, with plenty of fun and not too dry, come to Salem's Cherry Fair.

Salem should have some parks besides Yew park and a few cemeteries.

Dirt is flying on twenty railroads in Oregon. Who says we are going some?

The press of the entire state is boosting for the Salem Cherry Fair.

It should be remembered that Judge Gallowsay is from Yamhill.

During the Cherry Fair Salem will have an observation car service.

Harriman is too much alive for some of his enemies.

Fall City will soon be a suburb of Salem.

## FIENDISH YOUNG MURDERER

Modesto, Cal., June 26.—That he buried his six-year-old brother, Theodore, alive in the hog-pen on his father's ranch, was confessed yesterday by 12-year-old Frank Hopkins, son of a rancher of this place. The body of the boy was found late yesterday. The back was torn literally to shreds by a charge of No. 4 shot, fired by the older boy, Frank admitted the crime while being questioned by the officers. The discovery of particles of sand and mud in the no trils and throat of the dead child led to a further investigation on the part of Coroner Bowker today. Under the questioning of the coroner, Frank horrified the officers by announcing that his baby brother was alive when he dragged him to the hog-pen and covered him with the filthy earth. "He wiggled while I was throwing the dirt over him," the small fiend calmly remarked. After this horrible admission, Sheriff Dingley led the boy to tell the other revolting details of the crime. Prompted and drawn out by the examining officers, Frank told the following story: "When we were eating lunch my brother wanted to put egg and sugar on his bread," didn't want him to, so I hit him in the head with a knife. "When he went out of the door I got the gun and shot him. I carried him back of the house and buried him. He wiggled while I was throwing the dirt over him."

### Deafness Cannot be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is cured by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

### Rich Men's Gifts Are Poor

It quickly cures Nervousness, Sleeplessness, Melancholy, Headache, Backache, Fainting and Dizzy Spells; soon builds up the weak, ailing and sickly. Try them. 50c at J. C. Perry.
