ABOUT CHERRY EXHIBIT LETTER SENT OUT BY BOARD OF TRADE TO GROWERS

The Salem Board of Trade has sent out to hundreds of cherry growers a letter of which the following is substantially a copy and it says so much that it is well worth reading by everybody: "Enclosed you will find a premium list of the fourth annual Cherry Fair. No one thing has ever occurred that has done as much to educate and enthrall the people in scientific fruit growing and packing in this community as the Cherry Fair.

"Nothing has done as much to raise and maintain the value of land as these cherry fairs. It is the desire of every one to make the fourth annual Cherry Fair the best in every respect that has ever been held. In order to accomplish this every one must do his part. The one essential item is a good exhibit. Without this the whole thing is a failure.

ELEPHANT JUMPED CONDUCTOR'S JOB

(United Press Leased Wire.) Tacoma, Wash., June 29.—Passengers on the North Coast Limited train of the Northern Pacific railroad were given the fright of their lives early this morning when a sudden stop a mile from the little station of Napavine, at the foot of the Cascade mountains. A wave of excitement and apprehension passed over the cars and passengers, and views of a hold-up filled the minds of those on board the motionless train.

While nervous passengers peered into the mysterious blackness of the forest depths for sign of raiding bandit, the express messenger leaped from his car and explained the cause of the sudden stoppage. It developed that there were three elephants in the baggage car. The owner of the pachyderm trio had taught "Mike" a trick of pulling a string with his trunk that fired a gun. "Mike" saw the swaying bell cord, and improved the opportunity to indulge in a bit of rehearsing.

Our Discount Department WE DO BUSINESS not for the convenience of ourselves altogether, but rather for the profit to ourselves without too great an expense to our patrons, and at the same time affording them a most convenient and satisfactory service. We find our daily discount service a most popular one. This provides for a committee of our directors who call at the bank daily and in conjunction with the executive officers pass promptly on the merits of loans offered. The daily discount committee plan enables us to thwart the dangerous practice plan where authority is sometimes assumed alone by a president or a cashier, and at the same time enables us to give the business man a quick and decisive answer. New loans, of course, are sometimes held up for further investigation, but in matters of established credit we deal very promptly.
