A Woman's Back Has many aches and pains caused by weakness and falling, or other displacement of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary spots of dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness. If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening medicine known in medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and are tested under oath as correct. Every ingredient enters into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the medicines given to any other medicine extant for the cure of woman's ill. You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or know composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. Yet know what you want and it is his business to supply the article called for. X-RAYS AND SMILES

You never hear of a flying machine being spoken of as too fly.

The biggest prize at the Chery Fair will be the surprise, and everybody will get it.

The Standard Oil pays a fine occasionally, perhaps just to show the world it isn't broke.

The worst thing about saving money is getting hold of some that you don't owe, says a wise paragon.

A cranky old lady says, "a girl should never marry a man until she knows all about him," but the old lady doesn't understand that if in these days she knew all about him, she wouldn't marry him.

The latest Washington sensation is the charges filed with the legislature accusing the justices of the supreme court of being grafters. The Seattle spirit seems to be becoming general.

The legislature of Washington is quarreling over which side of the Cascade mountains the home of the feeble minded should be located on. They should compromise and build one on each side. They need it in both places.

Steven Marsh is now a firm believer in the Bible. His aunt left him her Bible and contents 35 years ago, but he never looked into the Bible until a few days ago, when he found it full of bills, aggregating nearly \$5000.

A little place known as "Hell," up near the banks of the Columbia, is being flooded by back water from the river. This at last discloses that mythical place so often mentioned by the profane as "Hell and High Water."

The poet's fancy "do go aeroplaning sometimes." For instance, in describing the sunrise a Coos Bay songster says: "Her lower limb the mountain kissed And soon dispelled the morning mist."

The mountain really ought to have been ashamed of itself. Naughty, naughty mountain.

GOOD CHINAMEN IN VANCOUVER

[United Press Leased Wire.] Vancouver, B. C., June 30.—Wong Gong is at the St. Paul Hospital, dying; Ma King is dead from poisoning, and two Chinamen, whose names are hidden under many aliases, are dead, from suicide, a reporter for a local Chinese daily paper has been threatened with death for being a "talking machine," and all Chinatown is in a ferment over a falling out among the Chinese gambling tongs. The stabbing of Wong Gong was witnessed by a policeman in the notorious "Cotton Alley," but before he could arrest the two Chinese who committed the deed, they had disappeared, as if swallowed up by the earth. Additional officers have been detailed to patrol the Chinatown districts to prevent further disorder.

Deafness Cannot be Cured by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is cured by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed Deafness is the result and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one hundred dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
