ANNUAL SHOOT IN AUGUST

Orders for the annual state rifle competition, in which 24 teams of riflemen representing every section of the state where national guard troops are stationed will compete for trophies and medals, were issued yesterday from headquarters of the Oregon National Guard.

Four important contests to establish the supremacy in rifle marksmanship of the various organizations are provided, together with a match for revolver marksmen. The competition will open August 1 and will continue until August 3, or until the matches are completed.

The four important rifle matches named in the orders are the state trophy match, the state medal match, the state individual match and the Governor's trophy match. The one about which the greatest interest centers is the Governor's trophy match, inasmuch as it will establish the regimental championship.

The firing of the various events will include every range. In the state trophy match there will be slow fire at 200 and 600 yards, and rapid fire at 200 yards. The same order of the fire will be followed in the state medal match. In the individual contest there will be a skirmish run, 200 yards rapid fire, 200 yards slow fire, and slow fire at 600, 800 and 1000 yards. In the Governor's trophy match there will be rapid fire at 200 yards and slow fire at 800 and 1000 yards.

Shoot for Silver Cup.

In the state trophy match the prize will be a silver cup to become the property of the organization winning it three times. In the state medal match, the award will be a gold medal, to become the property of the officer or man winning it three times. The outcome of this match will be based on the highest individual scores of the company championship contest. In the individual competition there will be ten medals, one gold for the competitor making the highest aggregate score, two silver medals for the second and third highest aggregate scores, five bronze medals for the next highest aggregate scores, one silver medal for the highest aggregate in slow fire, a silver medal for the highest aggregate in rapid fire, and a silver medal for the highest aggregate score in skirmish fire.

The state pistol match will be open to all officers and non-commissioned officers present on the range. There will be slow, timed and rapid fire in this event and the prizes will be a gold medal and two silver medals for the first, second and third highest aggregate scores.

ANOTHER CAR LOAD OF STEEL

The second carload of steel arrived last night for the big five-story building being erected on the corner of Commercial and State streets, and to day the steel workers are busy unloading it from the car and getting it in position to put in place for the first story. The usual large crowd was in attendance to witness the husky workmen handle the heavy steel girders with the big hoisting machine. The workmen are compelled to use extra precaution in removing the steel from the flat car, owing to the track on which the car is "spotted" lying directly under the trolley wire of the Portland Railway, Light & Power Company. In hoisting the steel up the chains and wire cables come close to the wire, and, if the two should come in contact, things would be made lively in the vicinity of the car and lifting apparatus. The railroad people, though, have remedied this danger to a great extent by enclosing the charged wire in wooden boxes in order to keep it away from the hoisting cables, as much as possible. It is interesting to see the experienced workmen remove the big steel posts from one place to another, as they are quick and accurate, and seem to know just what to do at all times. There is much danger in handling the material, as it pinches hard, easily. Yesterday afternoon a steel post was placed directly down through the center of the old bank building and bolted to the foundation. The bank will be built around, and will not be interfered with, until the new quarters in the corner are ready for occupancy.

Sues for Commissions.
A suit has been started in the circuit court by L. L. Peterson and L. M. Hittney against Carrie O. Kenady to recover \$650.35 alleged in the complaint filed today to be the amount due as fees for selling certain lands belonging to the defendant. H. Overton of Woodburn is appearing as counsel for the plaintiffs.

Don't Throw It Away—Take your old Panama to the Salem Steam Dye Works and it will be cleaned and made as good as new. Phone 565. 190 South Commercial.

Stole His Shoe Brush—Uncle Billy Brown, one of Salem's oldest and best known citizens, has been made the victim of some man who has a very slight amatter of gray matter in his head. Last Monday Billy left a shoe brush on the steps back of his rooming place and when he went to look for it a short time later, it was gone. Now Billy has considerable faith in humanity, and can pardon a man who steals because he is hungry, but a man that will steal luxuries like shoe brushes is beyond his forgiveness. If you happen to get your eye on Uncle Billy you will notice that he is carrying his head down and looking for freshly polished shoes.

Last of the June Brides—The following marriage licenses have been issued by County Clerk Allen today: Orin L. Jackson, age 28, of Portland, and Bertha K. Kaser, age 23, Silvertown; E. L. Knight, age 38, Salem, and M. Maggie Hartley, age 39, Macleay; Frank P. Litchfield, age 37, Salem, and Edith Reynolds, age 19, Salem.

Took in Camp Meeting—A party of young people went to Turner to attend the camp meeting Sunday, and in spite of the cool, cloudy day an enjoyable time was had by all. The party consisted of the following: Grace La Pore, Lily Black, Blanche Willard, Ethel Minch, Ted Black, Elmer Minch, Ira Willard and Milton Housler.

A Twilight Game—In a stubbornly contested game of baseball at the Fairmount grounds last night the sturdy Electrical Workers of the Twilight league went down to defeat at the hands of Southpaw, who was on the rubber for the invincible "Dubbs." In the final canto the score stood 5 to 6. Aside from the pitching of Hull for the Dubbs, Hobson, "Bell-hop" Rowland and Brown were in a measure responsible for the defeat of the Electrical workers. Jones gave general satisfaction as umpire. Batteries—E. W. Leach, pitcher; Timm, catcher; for the Dubbs, Hull, pitcher; Lucas, catcher. Errors—Dubbs 3, E. W. 11, 8 of which were made by Taylor.

Try Crystals—For the breath. For sale at: Meyer's barber shop. Eckerlen's. Waters' cigar store. Adolph's cigar store. Dick Madison's. The Spa. Willette's Hotel. The Council. Takington's. The Court.
