Claim It Was a Tie—

Had it not been for a wild heave on the part of a Portland Railway, Light & Power Company ball player, and some good fast running by an Electric Worker, the street car men would surely have won a game last night on Willamette field, but, after seven innings had been played with the score 2-2, the Electric Workers managed to chase a winning run over the pan, and the contest ended. The Portland Railway, Light & Power Company team had things their own way for the greater portion of the game, but could not keep the grip and lost out in the eleventh hour. Huffman and Timm were the battery for the street car men, while Leech and Ward did the work for the Electric Workers.
