**A Lazy Liver**

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with overwork. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and so relieves the liver of the burdens imposed upon it by the defection of other organs.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, dependent, frequent headaches, pain or distress in small of back, yawning or distressed feeling in stomach perhaps nausea, or if you "rise" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or so you more permanently than Dr. Pierce's Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and yet point to weak stomach. Avoid all hot bread and biscuits, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to it until you are vigorous and strong.

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attached under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

Don't accept a substitute of unknown composition for this non-secret MEDICINE OF KNOWN COMPOSITION.

**X-RAYS AND SMILES**

In reading the ads in the exchanges the horse editor notes that every paper in the valley has "sore nipples."

Don't tell your boy that it is circus day in Idaho's capital, or his fire crackers will seem but a delusion and a snare.

Near beer is all right, the only trouble in the dry towns is to get near beer. The average man knows what to do if he can get next.

Maybe it was Joe Simon putting his weight in the Portland mayor's chair that caused that shaking and bulging of the earth over in Italy.

The East Oregonian says people never die in Eastern Oregon from the heat, which is true, at least they never get into the habit of it.

Grafter Lawson's daughter is married. She is said to be a great lover of horses, and most women are after they know men well Jr ease they love dogs or cats.

When the wasp waist joints the hipless corset, the average woman will be in that condition called by the riute Indians, "Keeway goosh-takumkanhangewock," which translated into English means, "Same-shapd-all-the-way-down."

Up in Idaho, the management of the insane asylum have economy reduced to the limit. The wagon used for hauling refuse from the cow stable is also made to do duty as a hearse for the dead patients.

If Binger Hermann runs for mayor of Roseburg and Heney pursues the office of district attorney of San Francisco, it will be embarrassing to both of them—to Heney to prosecute and to Hermann to be prosecuted.

Cottage Grove is having a sweet pea show. It began yesterday, and will hold over the 5th. It is a grand success, and it wouldn't require much stretch of the imagination or nose, to smell 'em clear up here. There is only one thing in the world sweeter and that is—ask any young fellow about Oregon girls.

An exchange tells of a dirty and ragged tramp calling at a house on which there was a doctor's sign. When a big woman came to the door the tramp stated that he was nearly naked and "would she kindly give him a pair of the doctor's old pants?" "I am the doctor," said the female, with a grim smile, and the tramp changed his location, but not his clothes.

The current report that Colonel Hofer is not a friend of Lane county has again been verified. While copious showers fell in the vicinity of Salem one could almost have counted the drops in this section. Well, we don't care—it wasn't real rain anyway—only evidence that the colonel's efforts to pray made the angels weep—Eugene Guard. Well, anyway it seemed to have the effect of making lots of the other fellows sit up and take notice.
