Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Helonias Dioica*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator ... makes for normal activity of the entire reproductive system." He continues "in Helonias we have a medicament which more fully answers the above purposes *than any other drug with which I am acquainted*. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root). Pain or aching in the back, with leucorrhoea; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and anaemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions ... and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, *there is no medicine in use about which there is such general unanimity of opinion*. It *is universally regarded* as *the* tonic useful in all debilitated states."

Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

Already the returns from the Fourth of July celebration are beginning to come and show a good average crop of accidents. Patriotism is a great trait, but when it costs a thousand or more human lives besides the loss of innumerable eyes and a few tons of assorted legs and arms, it is coming too high.

SEDGWICK POST KEPT THE FOURTH

The celebration of the Fourth was observed by Sedgwick post, G. A. R. and the W. R. C. in the park Saturday afternoon. A splendid time was had and the following program rendered:

Reading Declaration of Independence, Mrs. Elbert Fisher.

Violin and piano duet, Mrs. Albert Southwick and Miss Mary Shultz.

Recitation, "I'll Take What Father Takes," Mrs. Helen Bennet (eighty years old).

Solo, "Star Spangled Banner," Miss Edna Knight.

Recitation, "The G. ... R.," Miss Pauline Remington.

Reading, "The Old Army Kettle," D. Webster.

A Horrible Hold-Up.

"About ten years ago my husband was "held up" in his work, health and happiness by what was believed to be hopeless constipation," writes Mrs. W. R. Lipscomb, of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottes. He is a well man today." Its quick to relieve and the surest cure for weak or sore lungs, Hemorrhages, Coughs and Colds, chitis, La Grippe, Asthma and all Bronchial affections. 50c and $1.00. Trial bottle free. Guaranteed by J. C. Perry.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address

Many people with chronic throat and lung trouble have found comfort and relief in Foley's Honey and Tar, as it cures stubborn coughs after other treatment has failed. L. M. Ruggles, Reasoner, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pains in my lungs, and they are now as sound as a bullet." bullet. J. C. Perry.

Ten thousand people attended the pioneers' reunion at Brownsville.

Everyone would be benifited by taking Foley's Orino Laxative for the stomach and liver trouble and habitual constipation.
